DISCUSSION POINTS	4

SUMMARY

July has proved very exciting in terms of the Guild's direction and momentum. A focus has been on how we can activate campus for Semester 2, hoping to restore campus culture to its former glory and create reasons for students to meet people and make friends outside of class. While I spent 2 weeks away on annual leave, Rashdina acted as President and her along with the exec made large inroads into a few of our larger projects.

We meet Semester 2 with optimism and are hopeful for a very successful period ahead.

MEETINGS ATTENDED

SUMMARY

July was a good month financially for the Guild, as reflected in the vendor reports. With the first month in a long time not bringing a considerable loss to the Guild's bottom line. Additionally, the student legal advice centre is close to being underway, soon to be providing much needed legal advice for students that need it. Additionally, the mid-year budgets were revised slightly and sent through, and was designed in a way that doesn't increase the seemingly ever-increasing deficit the Guild has found itself in. Actions are also being taken to bring the campus back to life in semester 2 and that should be playing out across the next few weeks.

I urge everyone to stay financially responsible but use the money allocated to continue bringing people back onto campus.

In Progress

Parking Improvements

We have determined the best way forward is working alongside Trevor and Craig who are apart of University Parking group and are awaiting the formation of the Parking Reference Group. From there, we

will discuss improvements to parking that include introduction of online parking (i.e. similar to cellopark app), reallocation of underutilised bays and reallocation of red bays after hours)

Campus Activation Semester 2

In collaboration with SOC, Welfare, Guild events and Prisha Goel, we are looking to hold regular events to help activate campus. Events include but not limited to bouncy castle, bubble soccer, free icecream. We are looking to partner with different clubs each week via SOC to increase reach and ensure the most people benefit from this. We have created a list of event and hoping to start this in Week 3 or 4.

Ongoing Club overdrafts

Working with Guild Finance to chase up club overdrafts is unfortunately still ongoing from 2021. Emails have been sent out however with little success. We will be looking at alternative ways to chase up these clubs and close this chapter for good.

Sponsorship Committee

Our mission of getting better sponsors for UWA Guild & clubs is underway. The sponsorship committee has been formed and a goal setting meeting took place. Aidan and I are still currently working on the Guild prospectus before we have a larger committee meeting to tackle the remaining tasks.

Improvements to QE2 campus

Looking to run a survey within the medical and dental school and see what improvements can be made to the student experience on these campuses. Hoping to introduce more shaded areas and longer outlet opening hours. Have contacted Caitlin in creating a survey and are in the process of developing the questions.

Perth Wildcats x UWA Student Guild

Looking to develop a working relationship with the Perth Wildcats, and hoping to bring them to campus on semester 2 to increase student engagement. Have had a few initial phone calls and meetings with wildcats executives and will be looking to solidify some plans for semester 2 very soon.

Ceased

Producing Financial Material (temporarily ceased)

After discussions with the Guild Finance staff, we can confirm we are not allowed legally to produce financial material regarding SSAF. We will look at other means of increasing student's financial literacy.

Q-Pay Platform (Ceased)

Over the last 1.5 months, conversations have been had with Q-Pay with the prospect of bringing them on as the official UWA Ticketing Platform. However, given the current financial situation, it is unlikely we will be progressing further with this and will be looking at alternatives.

Completed

Guild Presents Garden Party ~~New End of Sem Guild Event~~

With the project proposal approved, we are proud to announce the latest club committee exclusive event. This was a cocktail night held at the grove, with drinks, food, entertainment and nice décor. It was a celebration and way to say "thank you" to clubs for making UWA what it is. (see some of the graphics I have designed!).

Bob Nicholson Renovations

Bob Nicholson Renovations are done. All the furniture has arrived and been built. The carpet has been cleaned and excess junk has been thrown away. Thank you to everyone for being so patient.

Policy Tracker

The policy tracker was created to keep the council accountable and help the public keep up to date with what's happening. All the work has been done on my end and is now with Caitlin and the marketing team to get up on the website. In essence, this project is now wrapped up.

“Better Guild Committee” Meetings Training

The committee chair meeting took place on 22nd Tuesday Feb. We successfully upskilled all the committee chairs on how to run a Guild Committee efficiently and what their different responsibilities entail. Feedback from this meeting was positive and was described as useful.

SUMMARY

This month was incredibly busy for the Access Department. We have been working very hard on our projects, including Auslan Classes Program, Wellbeing Volunteering Program and the Anti-Vaping Campaign. Access Week is fast approaching so our committee has been working hard to ensure the events they oversee will be a success. We have also been planning events such as Guild on the Green as well as our collaboration event with Science Union.

MEETINGS ATTENDED

<i>Date</i>	<i>Meeting</i>	<i>Purpose</i>
29/06/2022	<i>Equity and Diversity Meeting</i>	<i>In this meeting, each department gave an update on where their projects pertaining to equity and diversity are at. The Access Department gave an update on our projects and also asked for advice on how we can get the university to respond and help with the issue of Access UWA Students' Voting Rights. Dana also brought up the issue of the structure of the Master of Clinical Neuropsychology and Doctor of Philosophy course and how the course overloads students with work. We discussed how we can get help changing the structure of the course.</i>
30/06/2022	<i>UniAccess x Access Department meeting</i>	<i>This meeting was with Liz and Hayley from UniAccess. We discussed business cases for several projects, the issues with the Master of Clinical Neuropsychology course and what options we have to suggest changes to the course, and touched on the progress of the Accessibility Audit of UWA. UniAccess discussed the obstacle report of UWA, which they will send to our department to read through and they had asked if we have a student in mind who could speak on the impact of covid on their education.</i>
05/07/2022	<i>Meeting with Jenna (OCM of the Access Department)</i>	<i>This meeting with Jenna was to continue our work with WA for a Human Rights Act and to discuss a potential event we could do with them.</i>
06/07/2022	<i>TLR Student Reference Group</i>	<i>This meeting consisted of Patricia giving us a progress update, specifically an update on service uptake for quarter 2, and wellbeing engagement activities. Most of the meeting was in the discussion of TLR pop-up spaces, the location and time; staffing requirements; wellbeing activities and consent, privacy and</i>

		<i>confidentiality required to run them. We ended the meeting with a brief chat about the theme weeks coming up in semester 2 and how TLR could help.</i>
09/07/2022	<i>Access Department Committee Bonding</i>	<i>Our committee got together to bond over some pizza in the Access Department room. We wrote letters to our future selves and tried out our planned Guild on the Green activity of decorating coasters. We had a fantastic time!</i>
12/07/2022	<i>Dana and HPU</i>	<i>Dana met with Kasey to discuss the Fit for Study Program. Access was hoping to get an outreach stall at Access Week, but the program has been dissolved into HPU. However, we will be getting them to do a sleep intervention stall.</i>
12/07/2022	<i>AI/SEC and Access</i>	<i>Melani and Dana met with Kylie from AI/SEC to discuss our participation in their Youth Speak Forum.</i>
12/07/2022	<i>Access International Representatives</i>	<i>Melani met with our International Representatives to discuss projects and events, especially for Access Week. After a lengthy discussion, a stigma prevention workshop will be held in Access Week.</i>
14/07/2022	<i>Meeting with Events Director</i>	<i>This meeting with Isabella was to go over the EMPs for Access Week and to plan our activity for Guild on the Green.</i>
21/07/2022	<i>Meeting with Narendra</i>	<i>Melani and Dana met with Narendra to discuss a reshuffling of Guild funds to help hold Auslan classes. Narendra helped us with what to do and how we should go about starting the program and ensuring its longevity.</i>
23/07/2022	<i>Access Committee Meeting</i>	<i>We held a whole committee meeting to discuss Access Week and to give updates on projects.</i>
25/07/2022	<i>Meeting with Iknur Virik</i>	<i>Melani presented the logistics and costs of Auslan classes. Iknur has generously agreed to look over her budget and see if she could cover some of the costs.</i>
25/07/2022	<i>Meeting with Max Beard</i>	<i>Dana discussed with Max the logistics and costs of running Auslan classes this semester. Max is eager for PSA to get involved and thus, has agreed to cover some of the costs. Max suggested meeting with Kate (Equity Officer) to further the project and will get in contact with Tim Colmer about funds.</i>

PROJECT UPDATE

Guild on the Green

Guild on the Green was a great success! Our department made a little Mindfulness through Art stall where people can learn more information about us and take 10 minutes out of their busy schedule to sit down and decorate some rocks and coasters with us. We had a lot of engagement with this stall, where people were sitting down, chatting, and making friends! We had at least sixty people come down to our stall and engage with the activity so we will keep continuing with accessible Mindfulness through Art sessions like this.

Access Week

Our committee has been working tirelessly on Access Week. EMPs are in progress for all of our events, and we are currently securing speakers, venues et cetera.

Anti-Vaping Campaign

Dana has been heading this project. So far, the University has agreed to update the website, but no progress has been made in that aspect. This issue has also been conveyed to HPU and per their suggestion, it will be brought up in the Safer Communities Working Group. Moreover, Dana is awaiting a response from the Minderoo Foundation as they already have a campaign on this issue and have worked extensively in the Eastern States' campaigns.

Auslan Classes

We believe that it has been long overdue in having an Auslan program at UWA, especially as an educational institution. The UWA Student Guild has developed one of the best campus cultures in Australia. What lacks in our campus culture is the inclusivity and active participation of people from the Access community, especially students who are hard of hearing.

This program would aim to teach UWA students Auslan and for them to actively use what they have learnt in events, stalls and programs but to also teach other UWA students.

There are also many students who are hard of hearing but never had the chance to learn Auslan. They will be prioritised to learn Auslan under our program as they have lived experience and cultural understanding of the community which is valuable.

This program will open up career possibilities for students who are both hearing and hard of hearing.

Access Plus' WA Deaf Society have a Basic and Intermediate Auslan course. In this semester we are looking to run basic Auslan classes first and introduce the intermediate Auslan course in Semester 1 of 2023. An Auslan Program Director position will be introduced to the Access Department, so there is a dedicated person who will ensure the sustainability as well as the funding, and coordination of this program continues.

The Auslan course will be run over 8 weeks (2 hours per week) and includes Deaf Awareness Training (which usually costs \$495 by itself). The Access Department will also run practice sessions for 2 hours per week so the students involved in the program may practice what they have learnt for the week.

Access Wellbeing Volunteers

Our campaigns director, Jit, and Melani have been working hard on creating a new position within the Wellbeings Volunteer group. This position will be held by an existing member of the group. They will be provided with disability first aid training to upskill themselves and to create a more understanding environment at major Guild events. Melani, Dana, and Jit will be meeting with Clare and Sarah-Kate from Guild Volunteering to fine tune the program and publish the applications for this position. We are incredibly

grateful to Jenny Ophel and Tony Goodman who agreed to fund the training of our Wellbeing Volunteers for Semester 2. Thank you very much, Jenny and Tony!

Fresher Representative and Ordinary Committee Member applications

Since the end of Semester One, two of our directors have graduated from university and we had to say goodbye to them. We thank them for the great work they had done and their time with the Access Department has been invaluable. We now have two new directors who had stepped up from their OCM roles in our committee.

We also released the Ordinary Committee Member and Fresher Representative applications on the 14th of July, so we are looking forward to welcoming some new members to our committee soon!

‘SU x Access // Education1001: UAAP, Spec Con and More’ Event

Science Union and our department had planned this event to educate students to learn more about their rights and the range of support available.

We specifically covered the rights of the students, a step-by-step guide of Special Consideration, a step-by-step guide to applying for University Academic Adjustment Plans (UAAP), a step-by-step guide to academic reviews and appeals and a list of wellbeing services available on campus and off campus. This collaboration was planned to be held later in the semester, however, we had to move it forward due to scheduling difficulties. To improve engagement, we will try and establish a date earlier so there's adequate time to advertise. Overall, it was a great event, and we thank Science Union for this collaboration!

Medical Waste Bins

We are awaiting the university's update on this situation.

Access UWA Students' Voting Rights

It has been difficult getting in touch with the university about this issue. I have reached out to Donald Mwathi who is the executive assistant of the university secretariat and let them know about the inquiries we send through.

Accessibility of GAMSAT and Student Entitlement Legislation

Georgie McDaid and our department have been in communication about bringing these topics up in an upcoming meeting with other disability office bearers. We are hoping to start a national campaign for both issues if we can't get them resolved in other ways.

SUMMARY

It has been an exciting month for Education Council. We have been busy preparing for Semester 2 and our time has been dominated by events, initiatives and programs that occur only once a year. My main focuses have been to:

- 1) Attend the National Union of Students Education Conference (EdCon)
- 2) Plan for the National Day of Action on Climate Friday 5th August
- 3) Deal with ongoing appeals and complaints regarding units from Semester 1
- 4) Create a plan and schedule for Semester 2

I have included the workshops I attended at EdCon. I was not able to attend all of them as most workshops ran in sessions of three. I have included a summary of each workshop below.

MEETINGS AND EVENTS ATTENDED

<i>Date</i>	<i>Meeting</i>	<i>Purpose</i>
30/06/22	Academic Quality and Standards Meeting	Most notably, looked at new admission process for Aquinas students taking extra courses.
1/07/22	Resolving Complaints (Computer Science)	
1/07/22	Resolving Complaints (Scholarship Application)	
5/07/22	UWA Teaching Awards	Met with Rebecca to bring Guild Teaching Awards into the UWA schedule.
6/07/22	Meeting with Ed Treasurer	Discussed EdCon and other administrative issues.
10/07/22	Meeting with NUS Ed Officer	It was great to finally meet Luc in person
20/07/22	Student Consultative Committee	Discussed Guild CLC and the initiatives being run by campus management.
21/07/22	NDA Planning	Planned the protest with student representatives from UWA and Curtin Guilds.
26/07/22	Meeting with EAN Coordinator	Creating and buying materials for the NDA.
26/07/22	Meeting with Ed Treasurer	Planning for round 2 of SPG funding.

NUS EdCon

<i>Date</i>	<i>Workshop</i>	<i>Content</i>
11/07/22	Uluru Statement from the Heart	Indigenous activists don't feel that the Uluru Statement from the Heart. Activists don't feel that a treaty will work if it is introduced by the Federal Government. They do not see Land Councils as a method for promoting justice. Advocating for a new constitution for Multicultural Australia.
11/07/22	I can't afford lettuce: responding to the cost-of-living crisis	NUS ought to challenge the Federal Government consistently. Must follow in the footsteps of the public sector strikes.

11/07/22	Education Strategy and Vision	Debated methods for creating change.
11/07/22	How to Revive Student Unions	Outlined methods for dealing with crisis at individual student unions.
11/07/22	Student Partnership Agreements	Outlined ways that SPAs have gone wrong at universities over east.
11/07/22	Liberal Politics in the Student Left	Good outline of how 'scab unions' (toothless unions that are created by the university to reduce funding to other unions) have been created at University of Sydney.
11/07/22	Gendered Violence and Consent Culture	NUS looking to rank universities on their response to sexual violence on campus.
12/07/22	NTEU Strikes and Student Solidarity Organising	Great overview of the strikes at University of Sydney. 52% of workers at the university are casual. Pickets were an effective method for getting the university management to listen
12/07/22	Why Unions Matter: Perspectives from the rank and file	Great to hear from fire, rail and nurses unions on the public sector strikes happening in their industries.
12/07/22	Housing Now: Why we should organise tenant's unions and fight for public housing	Debated about the strategy for ensuring more equitable housing.
12/07/22	How to defeat scab unions 101	Great example of student unions fighting scab management process.
12/07/22	Duty of Care	Essentially showed that New Zealand has far more equitable advocacy than Australia. Great lessons to learn from across the border.
13/07/22	Climate Organising	Organised National Day of Action on Climate.
13/07/22	The Green Bans	Lessons in direct action from BLF. Organised strikes to protect public housing and urban parks.
13/07/22	Education for Liberation	Talked about the book 'Pedagogy of the Oppressed' and its relevance to education today.
13/07/22	Student Unions and the fight for refugee with the Tamil Refugee Council	Inspiring stories of activism to secure safety for Tamil refugees.
13/07/22	Student Poverty: A Clusterfuck of Government Design	Aiming to reduce the age of independence from 22 which is far too high.

PROJECT UPDATE

Fringe Week Ed Participation

Education Council to organise a panel discussion regarding cuts to the university and how this has impacted staff and students.

Creating an online portal for student x club interaction (DISCONTINUED)

UEC have proposed that we develop an online space for students which is separate from social media platforms. UWA IT is somewhat onboard and would like to see a proposal. This matter will be taken to the postponed Education Council for further investigation.

National Day of Action for Climate

Friday August 5th the NUS will be holding protests across Australia. In consultation with CAN, EAN and other groups, we have organised to protest at Forrest Place with a focus on the Scarborough Gas Project which will have massive negative consequences for the WA environment.

SUMMARY

We have held Committee meetings to bring everyone back together on the same page for Semester 2, and we are recruiting for new positions as well. We are working on new initiatives with the CaLD Working Group and the UWA Medical Centre, and resuming other projects such as the 'You Can't Ask That!' video series.

MEETINGS ATTENDED

Date	Meeting	Purpose
30/06/2022	Dana, Melani	Access Week collaboration
04/07/2022	Geemal	Sri Lanka fundraiser idea generation
11/07/2022	WAUC representatives	Ethno x WAUC collaboration for increasing intersectionality in the consulting sphere at UWA

PROJECT UPDATES

YCAT! Video Series

The 'You Can't Ask That!' video series is a project where a certain group of individuals from the same cultural group/ethnicity/religion are asked questions that students usually would not ask a person belonging to that group, and this helps break down the stigma and perception of certain groups. It is an informative platform where students can learn from others and educate themselves on topics they may not have come across otherwise. We have filmed with the Pakistani Society and the Filipino-Australian Society so far. Next up is the Sri-Lankan Australian Youth Association.

Community Catch-ups

We are looking to host engaging catch-ups with the CaLD community to hear about issues they are passionate about, whether it's their stigmas surrounding their cultural backgrounds or a global issue they are passionate about. We have reached out to every cultural Club on campus to gauge their interest in collaborating for such events. So far, we have met with the Malaysian Cultural Society, the Italian Club, the Greek Club, the Persian Club, the Palestinian Cultural Society, and a Guild Department, WASAC. We look to continue this initiative in the coming weeks.

Cultural Calendar

We are working on creating an online cultural calendar, containing a spread of all the cultural and religious dates that represent the diversity of students we have on campus. Several holidays were removed from the Guild diary, so we thought it would be appropriate to continue providing students with a platform to celebrate and

acknowledge their holidays. This will be posted on the Guild website in an accessible portal too after consulting with Caitlin.

Medical Centre Document Translation

This project has sprung from our monthly CaLD WG meetings, where we will work alongside staff from the WG and the Medical Centre to translate some documents for patients who speak English as a second language.

Social Media Advocacy

This has been posted all year with issues from around the world such as Venezuela, and we will be covering the economic crisis in Sri Lanka next.

FINANCES

Sorting with Guild Finance since expenses are not appearing on Netsuite

ACHIEVEMENTS

Reflecting on Semester 1:

- Hosted an Open-Air Iftaar for all students on Riley Oval (~150 attendees)
- Fostered a positive working relationship with the UWA CaLD WG
- Advocated for global crises happening around the world on our socials
- Raised \$690 for refugees at the 'Refugee Relief Fundraiser'
- Advocated successfully for a physical safe space for CaLD students
- Hosting the European Film Festival w/4 cultural clubs
- Positioned the Guild to maintain its pro-Palestine stance, continuing efforts from the year prior
- Stalls for Harmony Week, Global Village, Screw Week
- Plans to tackle WA's lack of a human rights act with other departments
- 'You Can't Ask That!' video series with PakSoc & Fil-Aus

Moving forward:

- Expanding the Ethnocultural Committee and initiating more projects

PROJECT UPDATE

International Student Fest

The team is planning its main welcome event for international students. The plans are to have it at the Octagon Theatre and organise few activities for new students to get to know each other.

Sri Lankan Fundraiser

As discussed in the last council, ISD will be hosting a fundraiser next week on campus to raise money for the situation in Sri Lanka. Ethnocultural department will be helping us in terms of manpower and other help.

Club Carnival

ISD will be having a stall at club carnival.

Bringing better Halal food options to campus

A project the Chair of Council and ISD is currently working on. Boxed by Botak got a large of variety of high quality halal meals, including Nasi Lemak, Biryani and Fried Rice. Spoke with Jack and Gus and we agreed to give them a trial run soon. More updates on this will be on next month's report.

Fresher Handbook

Fresher handbook was a success. Was sent out to all international students by mail during O-WEEK.

SUMMARY

This month, I have been very busy preparing for UDUB Radio's launch, which will officially happen on the 5th of August. I have also been working on Tenancy matters.

MEETINGS ATTENDED

Date	Meeting	Purpose
Throughout the months since April report	Correspondence with Pelican	Discussing collaboration opportunities, how our publications will work together, and an FAQ article about UDUB
29/6/2022	Meeting with Xander	Collaboratively redesigning the UDUB Radio logo
4/7/2022	Email correspondence with Caitlin	Checking over APRA AMCOS and PCCA license application forms
4/7/2022	Email correspondence with Kelvin and Amitabh	Discussing authorised key holders for the UDUB studio, and outlining software requirements and emails to be set up
6/7/2022	Meeting with Tony, Kelvin, Xander, Caitlin, Sapphire and Jak	Discussing launch plan for UDUB, setting dates, delegating tasks, strategic planning
12/7/2022	Meeting with Fernanda	Getting authorisation to use the Guild credit card to order supplies and furnishings for UDUB
18/7/2022	Meeting with Sapphire, Jak, and CJ	Discussing plans for UDUB launch party, collaborating with the Banana Social Back to Uni Party at the Tav
26/7/2022	Meeting with UDUB Committee	Updating committee members on launch stages, strategic planning, discussing launch party, music curation, radio imaging/branding, committee bonding

PROJECT UPDATE

UDUB Radio

I am *very* pleased to report that almost everything is in place for UDUB Radio to fully launch next week! In the last month I have been working hard to get everything in place for the Station to be fully operational including ordering furniture, décor, equipment, etc. for our studio, building the furniture and setting up the workspace, as well as organising and paying for our music licenses and software subscriptions, setting up emails, having the necessary programs installed on the studio computer, and setting up workflows. The station website is operational, and the station is already streaming music (albeit privately, as we are still waiting on confirmation from one of the licensing bodies).

Tenancy

This month, and in the months since my last report, I have been further working on optimising and streamlining Tenancy processes. While still in the planning stages, I believe this update to the Tenancy process will be invaluable in saving time and stress for both the Tenancy Committee and our clubs and

societies. The Tenancy Committee has also welcomed two new members, Emerald Aindow (President of UniGames) as the Executive Officer, and Surina Sohal (Societies Council VP) as an Ordinary Committee Member. I'm excited to see what our new members will bring to the committee! I have also been working with Jak and the SOC Committee in order to secure funding and support for undergoing maintenance on some critical and long overdue issues in Cameron Hall, and I will provide updates and further information on these efforts in my next report.

ACHIEVEMENTS

- Managed to get everything in place for UDUB's full launch on the 5th of August!
- Set up most of the furnishings and décor in the new UDUB studio.
- Worked on branding, events, technology, strategic planning, etc. for UDUB radio with Guild staff
- Gained two new Tenancy Committee members.

PROJECT UPDATE

Spring Feast

- Attended a brief meeting to discuss handing over responsibilities from the previous Spring Feast organisers, Multicultural Week (MCW).
- Provided event planning input including catering, performances and UWA Club collaborations.

Fringe Festival

- Revised expression of interest forms for Club/Performance collaborations to enable the PAC Committee to track all relevant stakeholders efficiently.
- Working closely with the Guild Marketing and Events team to ensure all tasks are completed in line with Guild policies.
- Planning collaborations with Guild Volunteering to help our Crafts and Logistics Subcommittees.

SUMMARY

July has been an encouraging reset for our Department and its future. Coming out of the Winter Break, 3 months of often-arduous renovations into the Pride Common Room has been rewarded with a gorgeous room and a grateful student body. Planning involving Pride executive and committee has eventuated in a semester with bi-weekly large events planned, numerous smaller events in between and cementation of role responsibilities. Lastly, preparations for Pride elections and thorough hand-over plans have begun.

MEETINGS ATTENDED

<i>Date</i>	<i>Meeting</i>	<i>Purpose</i>
18/07	Kelvin Lee	Cordial discussion on Pride's contribution to recent orders of public safety & clearance within the Guild Building.
18/07	Xander Sinclair	Confirmed Outspoken's schedule and release by Week 7. Discussed preferences and tied up loose strings regarding the ongoing process for the magazine.
20/07	Michael Johnson, Simone Meyer & Pepita Smyth	Introduction between the university's new LGBTQI+ Communications Advisor and Pride. Discussed collaborative communications plan between Pride, the Health Promotion Unit and Students Communication.
21/07	Committee Bonding/Meeting	First committee meet-up post-semester one. Productively discussed committee's role within the next semester, the plan for the Department and the events we'll be definitively running.

PROJECT UPDATE

- Camp-Camp has been confirmed for Week 3, with ticket sales beginning within the first week of semester
- Pride Quiz Night has been confirmed for Week 5. Discussions ongoing over venue hire
- Pride Week has been delayed to Week 7, with Outspoken's schedule re-confirmed, and a collaboration with Photography Society confirmed
- Inter-University Pride event for Pride Week has begun its planning phase

FINANCES

Thorough expenditure report will also be included in next month's report, as most expenses are still pending following the final phase of the Pride Room's renovation.

ACHIEVEMENTS

- Pride Room renovations and opening complete
- Committee role distributions comprehensively started
- The newest member of committee, Mia Fraser, was introduced to the Department
- Camp-Camp dates & venue confirmed
- O-Day & College Introductions worked spectacularly

SUMMARY

This month my main achievement was the completion of a website proposal 'The Wellbeing Hub' wherein UWA students can be linked to every other online service available on campus. It is exciting to see that the new election regulations have been passed through senate and will be seen through for this year's guild elections. Finally, I look forward to starting several new projects this semester including a welfare festival every Tuesday on Oak Lawn where students can participate in welfare related activities.

MEETINGS ATTENDED

<i>Date</i>	<i>Meeting</i>	<i>Purpose</i>
01/07/2022	Caitlin MacPhail	Finalising content for 'Wellbeing Hub'

MAY 2022

POSTGRADUATE STUDENTS' ASSOCIATION

GUILD COUNCIL REPORT

Max Beard
2022 PSA President

SUMMARY

Over May and June, the PSA was focused on preparing delivering support to postgraduate students through our funding of postgraduate workshops and grants. It was decided by the committee to postpone our monthly networking event, the PSA Connect, until June 16th to allow a majority of postgraduate coursework students to complete exams prior to the event. Given the easing of recent Covid-19 restrictions, the committee is excited at the prospect of hosting more students, as the previous PSA Connect reached capacity early in the event, subsequently leaving students queued up for extended periods of time. PSA is continuing to minimise its environmental impact created by ensuring sufficient recycling facilities are present.

The Committee is continuing to develop its plan surrounding the end of year ball to be held at the University Club of Western Australia and is currently in talks to finalise preparations.

PROJECT UPDATES

University Club x PSA

The PSA Executive have been participating in ongoing discussions with the University Club of Western Australia regarding some exciting new collaborations targeted towards postgraduate students. We hope to be able to announce these within the not-too-distant future once details are finalised.

PSA also worked with University Club to hold a 'welcome to UWA' event for postgraduates starting in semester 2 where the PSA committee was able to engage and assist postgrads.

PSA Connect

Held its monthly networking event, the PSA Connect on 16th of July at the UWA Tavern. Had a very high turn out of around 250-300 postgraduate students. Went over the original budget due to the higher turnout, however due to us not running a connect for the month of June we are traveling on track for our events budget.

Guild on the Green (GOTG)

PSA attending and had a stall at the GOTG event in July for the semester 2 orientation week. Overall was quite a lot of postgraduate students who were interested in being involved with PSAs future events.

306004 - Depreciation - Computer Equipment	\$456.30	\$481.80	-\$25.50	94.71%

It can be seen that we are below the YTD expected expenses. This is mostly due to the CAPA affiliation fee being charged later this year and the March PSA Connect expenses that are yet to be charged to account (due to being a reimbursement). We also received \$1,100 in Sundry Income as a result of funding received from DPLA for dental student placement grants, as previously mentioned.

PSA has been searching for funding for its Research Week event in September and has currently found approximately \$10k in sponsorships so far.

Sincerely,

Max Beard

27.07.22	Meeting with Access reps	To discuss SOC providing Access with additional funds for an Auslan initiative.
27.07.22	Guild Leadership unit meeting	To discuss with students enquiring about the level 2 guild leadership unit they can do if they are a president.

PROJECT UPDATE

Safe Clubs and Events Officer – In collaboration with the Women's Department SOC has been working on creating a new position on clubs to help implement strategies to combat sexual violence and harassment. This position, Safe Clubs and Events Officer (SCE Officer) is launching this month in a trial format.

Major Event Grant – Due to the damage COVID-19 has done to campus culture during sem 1 (covid regulations made hosting social events virtually impossible during prime time event hosting season), SOC is creating a major event grant to bring major event events back to campus, this is also launching this month.

Banana Social - We are collaborating with Banana Social to bring them back to campus for a tav show, this in theory will bring more people to the show, while also costing the guild far less and potentially making us a profit.

Club Carnival – Club Carnival is coming up this month, SOC is bringing in some external promotion agencies to set up activation stalls in the hope of bringing more students to club carnival.

Free gym memberships for Presidents – SOC is making progress on an initiative to give Club Presidents a free gym membership for their term.

SUMMARY

This month was a quite month for our department with holidays underway. I met with UWA Sport, chaired the Student Stakeholder Representative Group meetings, inducted two new committee members, and ran interfaculty sport as per usual on the first week of semester.

MEETINGS ATTENDED

Date	Meeting	Purpose
30/06/22	UWA Sport	Met with UWA Sport to discuss logistics and future events. Meeting was productive as we found some common ground in opinions and began planning some new events for the upcoming semester
8/07/22	SSRG	Met with the Student Representative Stakeholder Group as the Chair of the group. Provided a conduit between students and UWA Sport to foster the creation of new ideas, opinions, and changes to the structure and environment of sporting at UWA
20/07/22	New Committee Members	Brought in two new committee members to fill in the vacancies of the previous Events Deputy and Secretary
27/07/22	Inter-faculty Sport	Conducted inter-fac from 12-2pm, organised collaborations, BBQ, and music. Volleyball womens had a big turn out with almost all of the faculty's present

PROJECT UPDATES

E-sports

Still under work, but the current plan is to host a FIFA night at EZONE.

Women and non-binary Gym/Sporting events

We are looking at engaging women and non-binary n campus in sport by making an exclusive event for them. This was run last year in collaboration with UWA Sport and was a success. Timeline and dates are still in progress. Hoping to add in a Sundowner event at either the beginning or end of the series for a social aspect.

UWA Chess x Sport Dept.

Completed.

SUMMARY

This month has been a productive one for the department and has been really beneficial to have the semester break to get on top of plans for the coming weeks! I also felt like I made significant progress on initiatives and other work. We did have a couple of disappointments this semester with a couple of our projects being cancelled. It was also nice to spend some more time with my committee over the last month and I feel that we are working quite well together now which is great.

MEETINGS ATTENDED

<i>Date</i>	<i>Meeting</i>	<i>Purpose</i>
30/06	Head of Campus Security	Met with Ghanshyam to further discuss how to promote security services to students. He updated me on the CCTV promotion project and we discussed his address to Guild Council in the future.
30/06	Student Assist	Met with Alana to discuss the possibility of setting up a new period product dispenser in Reid library. The meeting was very positive, and Alana was very willing to help us to try to organise this. Unfortunately, she did not get approval from the organisation in the end.
01/07	SOC President	Met with Jak to discuss our progress on event program and SCE Officer. This meeting was mainly to touch base and make sure that we were both on track to launch the new SCE role in semester 2.
02/07	Abortion Rights Protest	Protest went very well. I'm hopeful and encouraged by the size and strength of this ongoing campaign.
03/07	Women's Department Planning Day	Great day! I was very happy with this planning day, and we were able to set out a plan for the coming semester and review our work in semester 1. The team was really engaged and productive throughout the day and it was also good to spend the day together.
10/07	Women's Department Executive Meeting	This was a quick meeting to hear a few time-sensitive updates from myself and the Events Deputy Officer. Most discussion surrounded our Careers Event in Semester 2.
13/07	SOC President	Met with Jak again to go over the outline of the SCE Officer and again work on the launch of the initiative in Semester 2. We finalised our needs for student training at this

		meeting which was then organised with HPU.
13/07	Guild Marketing	Met with Caitlin to discuss creating posters for the promotion of security services around campus. Caitlin was very helpful and keen to work on this with me. We also touched on social media posts for when the SCE position is launched.
19/07	Nicole McEwen	Met with Nicole to discuss what is coming up in the Abortion Rights campaign. We discussed how to best promote the petition and the rally at parliament on the 29 th . Was a productive meeting.
19/07	Pride Officer	Met with Paris to discuss two main projects: the representation of gender diverse students as well as the guild complaints project. We made significant progress on both of these projects and set out clear action items.
24/07	Women's Department Committee	Met with some members of my committee to organise the Women's Room and brainstorm ideas for revamping the space. Also created new signage etc.
26/07	Petition Stall	Ran this petition stall on campus with Education Action Network. This stall was to promote both the upcoming protest on Friday and the petition to be taken to parliament.
26/07	Governance	Met with Rashdina to discuss changes to the Women's Department regulations. I wanted to run changes by Rashdina as well as gain clarity on the process of having them changed (which groups it needs to be passed by etc.).
26/07	Education Council	Attended the Education Council meeting. Nice to see how the meetings run and hear from a few of the student leaders.
27/07	SOC President	Met with Jak to finalised details of our SCE Officer project and how we will concisely present it to council and to SOC this week.
27/07	Equity & Diversity Committee	This meeting was postponed from the previous week but was nice to meet with this group as usual. We are getting into a rhythm of discussion each meeting.
27/07	Women's Department Committee	First meeting of the semester with the full committee. Hasn't happened at time of writing but very keen to get everyone on the same page with events and initiatives and give a few important updates to my committee.

PROJECT UPDATE

Malaysia University Project

I received a disappointing email from the National Malaysia University a week or so ago saying that they would have to postpone their visit which was scheduled for September. They have had adjustments in their managements and some other changes which have meant that the group aren't able to come in only a few months. They suggested coming in December but I let them know my concerns with this and am awaiting a response.

Sexual Misconduct Declaration

Tony did hear back from Legal and they were open to discussing it (and said that they actually had done in the past) but that they had some concerns with equity for all students. Tony seems to think this will be a difficult and long process but I have told him I am more than happy to talk to them with a student perspective.

Promotion of Security Services

CCTV promotion material is up in the libraries and Guild Marketing are kindly working on some posters with myself and Head of Campus Security. We also have Ghanshyam coming in tonight to talk to everyone about security services which is great.

Non-binary representation

Still working with Paris on this. She decided against forming the advisory student group to facilitate the process. We decided that the comments and feedback we have already had from students is sufficient to take action. I have created a post to be looked over by Paris, met with Rashdina about the process of changing Women's regulations, and we are discussing importance of this with council tonight (as Women's Dept is not the only group holding events for women students).

Guild Complaints Reporting Process

Paris and I had a good conversation about this initiative and decided against the process we originally had been following. Happy to discuss this further with anyone who is interested. We are planning to hopefully make some adjustments to the website on the discrimination page and outline students' options.

SCE Officer Initiative

We have completed everything we need to launch the initiative this semester! I have run the initiative by Health Promotion Unit, the response person to student disclosures and various committees I sit on. This semester will be more like a trial run and then get feedback from SCE Officers at the end of the year.

Abortion Rights Campaign

I have been really pleased with this campaign and the passion I've seen. We are putting all of our focus into the big demonstration this Friday at 4pm and the Petition which will be presented to parliament on Friday. Thanks to all the work from Nicole on this.

Period product access

Aidan and I were looking at the possibility of expanding the Share the Dignity project at UWA, but this wasn't possible. I then focussed instead on expanding the Pink Box initiative which although sometimes a flawed system, does provide students with access to period products.
