TG also mentions that the new election regulations are also being finalised with the lawyers, and that the student code of conduct is finalised and will be looking to be passed this meeting.

TG mentions that the changes to mask wearing on campus will hopefully increase the commercial performance going forward, and that we can expect to see an increase of students on campus. He also mentioned that there are new staff members are within the guild and to make them feel welcome. He briefly mentioned that the commercial aspect has taken a hit but this was to be expected given COVID and hopefully will improve in the coming years A new bus stop being is being installed across the road and will have UWA Student Guild branding on it which is highly exciting.

6.2 Finance Director

For the month of March, there was a profit of around ~\$12,000 as opposed to a budgeted loss. Year to date, MJ mentions the Guild is at a loss of \$35k as opposed to a budgeted loss of \$156k. MJ mentions that the "profit" in March is due to expenses that haven't gone through yet such as the grants, and there is more likely to be a \$20-30k loss instead. MG mentions that this is expected because of the rental abatements which were provided for tenants

MJ mentions that the second-hand bookshop has reported another loss due to reduced numbers on campus and reduced merchandise sales. Tav and commercial outlets are worse than anticipated due to the above-mentioned reasons. MJ summarises by saying while March isn't profitable, it is as expected. MJ mentions that RSD is the only department over budget, but this is due to the RSD ball deposit.
