SUMMARY

Across May / June, a lot of things happened, notably the Guild Garden Party was a huge success. In terms of finances however, there was a significant drop off in revenue from outlets which suggests a more conservative approach may be required moving forward.

Steady progress is being made regarding parking improvements and hopefully a second semester trial of bay sharing will be underway. Additionally, the past 2 months saw a new relationship between the Guild and wildcats being formed and hopefully will lead to more campus engagement through meaningful collaborations in semester 2.

PROJECT UPDATE

Not Yet Started

Nil

In Progress

Parking Improvements

We have determined the best way forward is working alongside Trevor and Craig who are apart of University Parking group and are awaiting the formation of the Parking Reference Group. From there, we will discuss improvements to parking that include introduction of online parking (i.e. similar to cellopark app), reallocation of underutilised bays and reallocation of red bays after hours)

Ongoing Club overdrafts

Working with Guild Finance to chase up club overdrafts is unfortunately still ongoing from 2021. Emails have been sent out however with little success. We will be looking at alternative ways to chase up these clubs and close this chapter for good.

Sponsorship Committee

Our mission of getting better sponsors for UWA Guild & clubs is underway. The sponsorship committee has been formed and a goal setting meeting took place. Aidan and I are still currently working on the Guild prospectus before we have a larger committee meeting to tackle the remaining tasks.

Guild Presents Garden Party ~~New End of Sem Guild Event~~

With the project proposal approved, we are proud to announce the latest club committee exclusive event. This will be a cocktail night held at the grove, with drinks, food, entertainment and nice décor. It will be a celebration and way to say “thank you” to clubs for making UWA what it is. (see some of the graphics I have designed!). We are in the process of booking DJ’s, bands, and finalising the ticket link to release to clubs via personalised messages. (all UWA Clubs are invited)

Parking Improvements to QE2 campus

Looking to run a survey within the medical and dental school and see what improvements can be made to the student experience on these campuses. Hoping to introduce more shaded areas and longer outlet opening hours. Have contacted Caitlin in creating a survey and are in the process of developing the questions.

Perth Wildcats x UWA Student Guild

Looking to develop a working relationship with the Perth Wildcats, and hoping to bring them to campus on semester 2 to increase student engagement. Have had a few initial phone calls and meetings with wildcats executives and will be looking to solidify some plans for semester 2 very soon.

Ceased

Producing Financial Material (temporarily ceased)

After discussions with the Guild Finance staff, we can confirm we are not allowed legally to produce financial material regarding SSAF. We will look at other means of increasing student’s financial literacy.

Q-Pay Platform (Ceased)

Over the last 1.5 months, conversations have been had with Q-Pay with the prospect of bringing them on as the official UWA Ticketing Platform. However, given the current financial situation, it is unlikely we will be progressing further with this and will be looking at alternatives.

Completed

Bob Nicholson Renovations

Bob Nicholson Renovations are done. All the furniture has arrived and been built. The carpet has been cleaned and excess junk has been thrown away. Thank you to everyone for being so patient.

Policy Tracker

The policy tracker was created to keep the council accountable and help the public keep up to date with what's happening. All the work has been done on my end and is now with Caitlin and the marketing team to get up on the website. In essence, this project is now wrapped up.

"Better Guild Committee" Meetings Training

The committee chair meeting took place on 22nd Tuesday Feb. We successfully upskilled all the committee chairs on how to run a Guild Committee efficiently and what their different responsibilities entail. Feedback from this meeting was positive and was described as useful.

SUMMARY

This month was a quiet time for the Access Department because of end-of-semester examinations. We held our World Blood Donor Day campaign and event and mainly worked on updating projects.

MEETINGS ATTENDED

<i>Date</i>	<i>Meeting</i>	<i>Purpose</i>
26/05/2022	<i>Disability Access and Inclusion Working Group Meeting (DAIWG)</i>	<i>In the DAIWG meeting, we discussed the budgeting of the working group and the future projects we may need to fund; committee roles were also established as the Deputy Chair and Executive Officers were elected and more vacant positions were advertised; there was planning of the Disability Access and Inclusion Seminar which is to be held on Tuesday the 13th of September; the Access Department also gave an update on our projects; the meeting concluded with the Diversity, Equity and Inclusion Strategic Plan being circulated for review and feedback.</i>
08/06/2022	<i>Students with Disability Leadership Collective</i>	<i>In this meeting, we got to meet many of the disability representatives across the country (thanks to Blaise from UniAccess!). We did introductions and discussed the focus of the group. The representatives discussed why they ran for their respective positions and what issues they have faced. Following the meeting, we were added to a Microsoft Teams Group so that we can further collaborate!</i>
08/06/2022	<i>Student Wellbeing Meeting</i>	<i>Unfortunately, this was our last Student Wellbeing Meeting. We were not made aware of this, sadly. Nothing else was discussed except our membership in the group; we were told that it is ineffective to have all stakeholders in the meeting, instead, all relevant issues will be fielded by the Welfare and Advocacy Committee. As per the suggestions from the meeting, Access will now be meeting up with the UniAccess team monthly instead.</i>
11/06/2022	<i>World Blood Donor Day Planning Group Meeting</i>	<i>In this meeting, several members of the Access committee met up to discuss the logistics of our WBDD campaign. We discussed roles and what needed to be done in preparation for the day.</i>

13/06/2022	<i>Accreditation assessment of the Living Room</i>	The Access Department was contacted to be part of the accreditation process for the Living Room. We were asked to give feedback on our experience of the service and how well the staff worked with us. This assessment was conducted by Quality Innovation Performance Certifications (QIP).
19/06/2022	<i>Access Department Meeting</i>	This was our first meeting post-exams. We debriefed WBDD – many committee members thought it went great and that they would love for it to be done again! We hope for this to be a recurring event for future years. We also discussed our upcoming Access Week. We reviewed what events we must organise, who oversees what events, and what needs to be done. Additionally, we went over our campaigns and social media projects.
23/06/2022	<i>Auslan Meeting</i>	This meeting was to finalise the plans for Auslan Tiktoks. We discussed the captioning of the videos, the layout of the video, and which videos people would be assigned to.
26/06/2022	<i>Access Department Meeting</i>	This was another committee meeting that was primarily focused on Access Week. From conversations with members of the community, the <i>Fit for Study</i> program was suggested to us. Whilst it has been discontinued, we are looking to collaborate with HPU to do something similar. Furthermore, we delegated additional tasks/events and discussed how we can best cater to carers/disability support workers. From this meeting, we decided that it would be best if we could try to reach out to see what carers want, in the meantime, we have decided that it will be centred on 'appreciation'.

PROJECT UPDATE

World Blood Donor Day Campaign and Event

The 14th of June was World Blood Donor Day, and the Access Department organised an accessible group blood donation! We had 17 registrants for the day, filling up the timeslots offered by Lifeblood Perth Donor Centre! We are very thankful to the Guild Volunteering Department for partnering with us and helping us by providing transport to and from the Blood Donation centre. This transport was essential in ensuring this event remained accessible. Guild Volunteering was also very kind in allowing for transcript recognised volunteering hours as it is usually not offered for an event like this. We also would like to thank Lifeblood Perth Donor Centre, they were instrumental in this campaign and event, especially facilitating many students all at once. In the lead-up to the donation, we ran an online campaign about the benefits of

donating blood and what World Blood Donor Day is all about. This online campaign will finish up with a 'Day in the Life' video about donating blood which is in the editing process. The event itself was a great day out! The highlight of the day was having many plasma donors which was great as plasma is in much need right now.

Accessible Education Guide

The Accessible Education Guide photoshoot occurred on the 24th of May. One more session of photos is needed before finalising the guide. We are also updating the guide as some guidelines and services have changed this semester. This guide must be updated every year and will be in the handover as a continued project in the Access Department.

Disability Sensitivity and stigma prevention course

The Access Department is in conversation with the Disability Access and Inclusion Working Group to acquire funding to create this course in the next year. In the meantime, we have finalised a simple document to teach students on how to communicate confidently with students with various disabilities.

Medical Waste Bins

From the last time this project was updated in the May report, Jack has confirmed that the guild only hires an external company to clean the toilets and no other service is provided by the Guild. A meeting with UniAccess has been scheduled for the 30th of June on how we uniformly provide medical waste and sharps bins.

SUMMARY

We have had a productive month in Education Council. After several setbacks, illness, and many disruptions I am pleased with the progress that has been made so far. We have exciting initiatives in the works, and I am eager to get Guild Council's feedback. This month I have focused on:

- 1) Fostering relationships between FacSocs and UWA staff
- 2) Creating the Western Australian Guild Network

I will be attending the NUS EdCon event in Sydney over the semester break. Please let me know if I can raise anything with the NUS office bearers while I am away.

MEETINGS AND EVENTS ATTENDED

<i>Date</i>	<i>Meeting</i>	<i>Purpose</i>
31/05/22	Curtin Guild Reps	Met to discuss the viability of WAGN and feedback on how to construct more open, cross-campus dialogue.
28/06/22	Nakba Protest	Great event.
22/06/22	SCC Meeting	The new spotlights on student reps and staff were a success. Thank you to Science Union for presenting.
27/06/22	Abortion Rights Protest	Great event. Another protest on Saturday that I urge everyone to attend.

PROJECT UPDATE

Canva Night

No date set yet but would love feedback if other departments would like to participate.

Fringe Week Ed Participation

Education Council to organise a panel discussion regarding cuts to the university and how this has impacted staff and students.

SPG Reform

The current system is somewhat opaque and the process for appealing is not currently formalised. We hope to make this system more streamlined in collaboration with SOC.

International Student Reps for FacSocs

The job description for International Student Rep is vague. FacSocs seem to be filling the 'space' in the committee, but the role needs redefining to increase engagement.

Creating an online portal for student x club interaction (DISCONTINUED)

UEC have proposed that we develop an online space for students which is separate from social media platforms. UWA IT is somewhat onboard and would like to see a proposal. This matter will be taken to the postponed Education Council for further investigation.

SUMMARY

This month was headed toward the end of a busy busy semester and with exam finishing during the middle of this month, we did not get a chance to do too many items. We managed to meet up with our entire community as an opportunity to reflect and wrap the semester as well as plan briefly for more projects during our next semester.

MEETINGS ATTENDED

Date	Meeting	Purpose
24/06/2022	Amira & Adam (Ethno Co-officers)	Meeting to discuss milestones and future projects

PROJECT UPDATES

YCAT! Video Series

The 'You Can't Ask That!' video series is a project where a certain group of individuals from the same cultural group/ethnicity/religion are asked questions that students usually would not ask a person belonging to that group, and this helps break down the stigma and perception of certain groups. It is an informative platform where students can learn from others and educate themselves on topics they may not have come across otherwise. We have continued with our second episode of the year in collaboration with the Filipino- Australian Society. The video has been posted on our socials.

Community Catch-ups

We are looking to host engaging catch-ups with the CaLD community to hear about issues they are passionate about, whether it's their stigmas surrounding their cultural backgrounds or a global issue they are passionate about. We have reached out to every cultural Club on campus to gauge their interest in collaborating for such events. So far, we have met with the Malaysian Cultural Society, the Italian Club, the Greek Club, the Persian Club, the Palestinian Cultural Society, and a Guild Department, WASAC. We look to continue this initiative at the start of next semester.

SUMMARY

As an Ordinary Guild Councillor, I have been involved with various committees and projects in the Guild.

I have been allocated to the Strategic Resources Committee (SRC), Student Services Committee (SSC), Governance Committee (GC). As a member of the aforementioned committees, I have attended meetings on campus where possible, or sent apologies in a timely manner, and I have engaged with any and all relevant correspondence.

As the Chair of the Young Leaders' Council, I have communicated with Janelle May of the UWA Future Students Team and am working towards collaborating on several projects with her to benefit high-school student leaders.

Moreover, I was appointed as the Acting Education Council President for the interim period of late January to early February.

MEETINGS ATTENDED

<i>Date</i>	<i>Meeting</i>	<i>Purpose</i>
20/01/22	SRC Meeting	Confidential
26/01/22	Guild Council	To pass motions relevant to the UWA Guild
28/01/22	UWA Schools Partnership Framework Collaboration Meeting (YLC)	To discuss a potential School Partnerships Program with representatives from the UWA Future Students Team, Schools (from UWA), UWA Guild, and other external groups
02/02/22	YLC Discussion with Janelle May	To create action items leading to a YLC workshop event held in April
22/02/22	Committee Chair Meeting	To discuss expectations of each committee chair
23/02/22	GC Meeting	To attend to business relating to changes on Guild Council, and to discuss expectations of the committee

PROJECT UPDATE

3.1 Young Leaders Council

3.2.1 YLC Workshop (first event working date: 22nd April)

- Meeting with the Future Students Team (Janelle May, JM) to discuss the hosting of a Young Leaders Council Event in April.
 - Working date was confirmed to be April 22, aligning with the semester one term break
 - Venue TBC, and online alternative was discussed in light of the opening of the WA borders
- I was to follow up with the creation of a YLC page for the Guild website, as well as the overall format and purpose of the day
- JM was to confirm means of disseminating information to the schools and relevant career advisors.

3.2.2 YLC Online Landing Page

- As mentioned in section 3.2.1, I was to follow up the creation of a YLC landing page on the Guild website, such that schools and students would be aware of its existence beyond word of mouth, and to increase credibility.
 - I informed Caitlin about this, and we will meet some time in week 2

3.2.3 YLC Committee Structure and Constitution

- At the Committee Chair Meeting, it was brought to my attention that most other committees had terms of reference and a constitution.
- As such, I will draft one with the assistance of relevant OBs and the previous YLC Chair Lachlan McDonald, and present it at a Governance Committee Meeting when possible.

3.2. Education Council (January)

3.2.1 Acting Education Council President

- Due to the resignation of the previous Education Council President of the 109th Guild Council, I was appointed at the January Guild Council Meeting as the acting equivalent.
 - Due to the length of this term (i.e., very short), I avoided starting any projects or large-scale initiatives.
- I maintained communication with the Education Council Vice President, as well as some of the Faculty-Society presidents.
- On my front, this role was filled with the purpose of holding office should relevant meetings arise, answering general queries from staff and students where necessary, and maintaining inter and intra-committee morale.
- I endeavoured on my side, but due to my hesitancy in starting projects, my effectiveness in this position was limited.

SUMMARY

This month has been a productive one for the department! We had a few events go ahead and I also felt like I made significant progress on initiatives and other work. I am currently enjoying having a moment to plan out semester 2 and getting ahead on a few things. Also has been good to chat with a few other students now that we have a break from class. Also started using Monday.com to keep on top of projects and events... would definitely recommend. I did have a quiet period when final assignments were due at the end of semester (as most would have) so I did have a few fewer meetings this semester.

MEETINGS ATTENDED

<i>Date</i>	<i>Meeting</i>	<i>Purpose</i>
26/05	Women's Department Committee meeting	Our final meeting of Semester 1. Was great to look back at our first semester together and review things that worked well and did not go so smoothly. Great attitude from the committee going into semester 2.
30/05	Department Study Week Event	Attended our Women's Department Arts Students Study Night event at Ried Library. The event had a small turn out but we did enjoy a chance to discuss with other students and share study techniques.
14/06	Guild President	Met with Ami to discuss my progress on my current projects and what I'm looking to do in Semester 2. Also discussed how he can help me and work together on any of these projects which was really helpful. Was good to think through everything and start planning for the second half of the year.
21/06	AISEC	Had a great meeting with some representatives from AISEC to discuss an upcoming event of theirs which they would like to have our department involved in. The Youth Speak forum is focused on equity and inclusion and I am excited to get involved with the project.
24/06	Women's Event Officer	Had a very productive meeting with Natalya to plan out our second semester and prioritise working points for the break. We also looked back on the events we have run and reviewed our current processes.
27/06	Abortion Rights Protest	A disgusting step backwards but a great rally and props to the socialists for pulling the event together in just a couple of days. Was able to speak at the event which was a nice opportunity and also heard from other

		passionate people. Great turn out and looking forward to Saturday.
29/06	Equity & Diversity Committee	Nice meeting with this group, updating each other on our projects and getting advice where applicable. We are getting into the groove with the role of our group, I'd say and will continue to brainstorm ideas to increase our productivity.
29/06	Manager, Student Indecent reports	Fiona McAulfie and I are meeting to discuss the current processes regarding special consideration for survivors of sexual assault. This meeting hasn't happened as I write this but looking forward to working with Fiona.
29/06	Youth Pride Network Chair	Meeting with Cheyeanne to discuss general details of the department and see if there might be an opportunity to collaborate in the second half of the year. Looking forward to hearing from her.

PROJECT UPDATE

Malaysia University Project

Continuing to communicate with the student group from Malaysia. Now more looking at specific logistics including transport and plans for each day of their stay. Looking to be an intense and exciting week. Having some trouble with communication as we have multiple contacts in touch with their group. Hoping to have an online meeting soon to clear some things up.

Sexual Misconduct Declaration

Looking to a promising initiative for new students to the uni. Currently waiting to hear back from legal (via Tony) to hear their thoughts on this. Will update in more details once we (hopefully) receive the all-clear.

Promotion of Security Services

Meeting with Ghanshyam again later this week to continue discussing this however we have promotion material for CCTV footage in the libraries going up soon which is good. Looking to also introduce promotion of other services like walking students to cars and across campus etc. The security department is very willing to run these projects which is awesome.

Non-binary representation

Still working with Paris on this. She is working to form a group of students in an advisory group to facilitate the process. I will also need to discuss the protocol for making the changes we expect to see. We are at a bit of a stand-still currently but hopeful we can make some progress over the break.

Guild Complaints Reporting Process

This is another project which I'm hoping to continue working on over the break. Things are looking hopeful there is just some groundwork to be done.

Special consideration for survivors

Meeting with Fiona about this is looking forward to hearing her thoughts. My goal is to have a process similar to the automatic extension for COVID cases but will see how feasible this is when I meet with Fiona. Happy to hear any other suggestions.
