PROJECT UPDATE

Increase Campus Engagement

A lot of strategies have been placed to increase the campus engagement for the coming year;

- 1) Increased SOC Grants.
- 2) Introduction of sundowners in a safe and appropriate manner.
- 3) Increased focus on improving cohort experience within schools.
- 4) Planning of large-scale events with different departments of the Guild including a Back to Uni Party, Student Nights at the TAV, Fringe Festival and a Autumn Festival.

Increase Campus Safety

Another focus of mine for this year is to increase safety on campus especially on areas based on the NSSS results. We have been working closely with Student Life to improve this aspect of campus. The following departments and entities have been working on various methods to achieve this.

- 1) RSD working closely with college heads and HPU to encourage college leaders to be more educated about sexual harm and its reporting mechanisms. Also, pushing all colleges to make the new consent module introduced by the university, compulsory to all freshers.
- 2) Women's working with Student Assist to come up with a theme week around sexual harm and a sexual harm social media campaign. The idea is at its initial stages so far.
- 3) SOC has been working with Events and Jenny (AD of Student Services) to improve the SLT to incorporate more information into the SLT Training and further improve and expand the Safety Events Officer position.
- 4) The Guild is envisioning to promote the Consent module introduced by the university among freshers to encourage them to do it since its not compulsory yet.
- 5) The Guild Plans to work with UWA Student Life, to push to make the Consent module is compulsory for all students on campus.
- 6) Caitlin and Jenny are working on making the links relating to sexual health education and consent on the Student Assist page accessible through Unifi.
- 7) Marketing posted a survey from Normal to identify the student population's knowledge on sexual health and consent.
- 8) Continue to work with HPU, Student Assist and the Safer Community Working group to increase safety on campus.

Venture

Closely working with Chloe B, to determine the future of Venture. Exploring potential partnerships with the university, Development of Alumni Relations (DAR) and Convocation for financial support to expand its services to more students.

Orientation Week

Working with the Marketing and Events teams to have a series of events during O-Week to provide a platform for freshers to get involved from day 1. More information will be on the next report.

SUMMARY

Since starting my role I have changed priorities a few times. Initially, I was focusing on getting the budget ready for December 1st, instead of the traditional December 15th, so as to ensure Guild activity could start as soon as possible. Since then, I have been working closely with the Executive Team to ensure every department has a plan for 2023 and has commenced their work, as well as attending various committee meetings and handovers primarily involving the commercial side of the Guild.

Separate to this, I have been in contact with UWA College to assist them with their new initiative, and working with Leigh and Caitlin to secure sponsors for 2023.

2023 Budget

Allocation of Guild budget between departments according to their expected 2023 activity and historical spending of the department. Budget and report (which includes reasoning behind changes of budget from 2022) was completed November 2022.

Filling Commercial Tenant Vacancies

Many potential tenants have been contacted. Awaiting their responses.

Giveaways from Guild during Semester

Looking into potential giveaway offers and planning to time these with other events or theme weeks on campus.

Tabled for now as bringing in a Mexican food tenant is only possible if one of the tenancy spots with an exhaust becomes available (these are currently occupied by Subway, Roll'd, Chinese Canton, Toshine and Campus Kebabs).

Sponsorships

Prospectus draft has been made which is to be confirmed and sent off within the week.

Spring Feast

Initial planning commenced. Looking into sponsors.

Tavern Refresh

On track to have most aspects ready for O-Day with murals to be added once semester has commenced.

Tavern Rotating Keg

Joe directing this initiative. Has been endorsed by Catering & Tavern committee and set to be approved once all details are decided and the keg suppliers have been contacted to determine feasibility.

UWA College Student Council

Tabled for now as the UWA College contact who first approached us with the initiative has stepped out of this role. Will see if they are interested later this year.

SUMMARY

This report will summarise the operations of the Education Council over December 2022 and January 2023. These months primarily focused on building foundations for the year and developing key relationships.

MEETINGS ATTENDED

Date	Meeting	Purpose
06-12-22	<i>Education Council Committee Meeting 1</i>	<p>This was the first meeting of the 2023 Education Council Committee. This served as an opportunity for committee members to get to know one another and learn of each other's strengths and passions.</p> <p>I explained the fundamentals to my committee to help them become more familiar with their roles, such as the manner in which meetings are run, individual expectations, the structure of the Education Council etc. As such, committee members outlined their vision for the upcoming year and we delegated project leadership between one another.</p>
07-12-22	<i>Library discussions with Amanda Bellenger</i>	<p>Amanda and I met over Teams to discuss the upcoming Reid Library renovation to level one. This project will begin over the 2023/2024 summer break with projected completion by the commencement of Semester 2, 2024. We discussed the impact this will have on students and I emphasised the need for ample alternative study spaces over the closure period.</p> <p>We planned a round table discussion involved relevant departments (Women's, Access, Pride and the Education Council Committee) to further outline the details and review student requirements.</p>
07-12-22	<i>Internship discussion with Chloe Bull and Aishya Abdul Raman</i>	<p>Chloe, Aishya and I met to discuss the implementation of a new and innovative internship program for students. We distinguished our goal for the program to generate more valuable internships for UWA Students. Preliminary discussions of the program involve a WILG unit whereby students are offered industry mentoring before utilising this knowledge at a start-up. This would be run in conjunction with Venture and would provide a unique alternative to traditional internships.</p>
12-12-22 to 16-12-22	<i>National Union of Students (NUS) National Conference 2022</i>	<p>The Annual General Meeting of the National Union of Students is a conference which aims to establish the vision for 2023.</p>
15-12-22	<i>NUS WA State Breakout Meeting</i>	<p>This meeting was chaired by UWA's Alevine and called by SALT at the NUS conference. We committed to participating in a National Day of Action (NDA) on March 10 to protest for the Climate. Only UWA and Curtin delegates were in attendance, however we plan to reach out to both ECU and Murdoch and set a further planning meeting on January 24, 2023.</p>

11-01-23	<i>Reid Library Round table discussion</i>	This meeting was led by the UWA Library staff and I invited representatives from the Women's, Pride and Access Departments to attend alongside my committee. We discussed student concerns and requests to increase safety, comfort and productivity.
11-01-23	<i>Education Council Committee Meeting 2</i>	Our committee discussed the progress of our projects as well as the agenda for the first Education Council meeting.
11-01-23	<i>Education Council Meeting 1</i>	<p>A monthly meeting involving all Faculty Society Presidents and/or Education Vice- Presidents, the Education Council Committee, and other Office-Bearers. These meetings are an opportunity for the Education Council to share opportunities and information that would be of benefit to the student societies, and for student representatives to raise issues and the perspectives of their relevant cohorts. Student representatives also share reports detailing the operations of their club.</p> <p>This meeting primarily focused on reinvigorating the Class Rep system, the Reid Library project and establishing a timeline for SPGs.</p>
12-01-23	<i>Meeting with Alevine Magila</i>	Alevine and I discussed the role that the Education Council can play in raising awareness and advocating for important upcoming social issues including International Women's Day, the NUS NDA and Invasion Day.
13-01-23	<i>Meeting with Damien Nguyen (UTS/NUS Queer Officer)</i>	<p>Damien and I discussed UWA's upcoming plans re: activism.</p> <p>We spoke about the role of radicalism and the NUS, specifically how WA can work with the rest of the nation to maximise our capacity as a Union. SUMMARY

This month, we have worked on finalising details about O-day and planning our events for the upcoming year by developing an idea of our goals for 2023. We have also reached out to previous Ethnocultural committee members from 2022 and most have shown keen interest in continuing in the department for 2023, having all our executive positions with possible candidates. We hope to release committee applications soon to finalise O-day and Guild on the Green planning.

MEETINGS ATTENDED

Date	Meeting	Purpose
5-12-22	ETHNO handovers	<i>This meeting was held for previous 109th Ethnocultural Co-officers to provide us information about how to run the Ethnocultural department and to also pass down projects they worked on during their council term. Aside from this, the meeting focused on improving and finding new ways the Ethnocultural department can be more involved and sought upon by CaLD students.</i>
15-12-22	CaLD Working Group	<i>The final 2022 WG meeting where 109th and 110th Ethnocultural Co-officers were invited. This final WG meeting discussed the 2023 contingency plan and UWA DEIC set up the dates for all 2023 WG future meetings.</i>
21-12-22	NUS meeting about Proxy report with Parham Bahrami	<i>Alex VG had a meeting with Parham to go through the NUS report he would submit to the council as well as gathering Parham's personal experience from the conference.</i>
19-01-22	Meeting with Geemal Jayawickrama	<i>Geemal and Alex VG discussed the future of the Ethnocultural department, its plans, and ideas the department has for 2023 and ways the council can aid to achieve these.</i>

PROJECT UPDATE

Cultural Community Links

Finalised the 109th Ethnocultural Department's project of connecting UWA students with their communities outside of campus they are able to interact with. The list of all local communities and organisation was finalised, and emailed to Caitlin MacPhail for its final editing and publishing in the Guild's website.

CaLD Student Blogs

The CaLD student blogs was temporarily discontinued last year, however, this year we hope to continue the blogs aiming to allow CaLD students to showcase their lives, culture and language. In this way, the Ethnocultural department can both educate the UWA community on issues affecting CaLD students, but also an opportunity for them to express and showcase their cultures.

YCAT! Video Series

Following the past three years, the Ethnocultural tradition of the 'You Can't Ask That' video series will continue again in 2023.

ETHNO Quiz Night

For 2023, we hope to create a yearly tradition of ETHNO quiz nights dedicated to various cultures around the world. Our aim is to educate the UWA community and allow CaLD students to showcase their cultures through their

interesting culture, traditions, and food! Additionally, we hope to create more events in a similar way that can raise funds for charities relating to global crises.

SUMMARY

In the months since the last Guild Council meeting, I have primarily been focused on establishing the Duke of Edinburgh Award Centre at UWA, furthermore I have met with the Guild Volunteering Committee as well as having my handover for the Young Leaders Council (YLC).

MEETINGS ATTENDED

<i>Date</i>	<i>Meeting</i>	<i>Purpose</i>
07.12.2023	Duke of Edinburgh – Initial Meeting	<i>I met with Geemal and Tony to discuss my idea of creating at Duke of Edinburgh Award Centre at UWA. We discussed the benefits to students as well as some potential drawbacks and how these would be remedied.</i>
15.12.2023	Duke of Edinburgh Award Centre Proposal	<i>I met with Geemal and Tony to present my Project proposal for the Duke of Edinburgh Award Centre. We touched on topics of promotion, inclusion, financial concerns and the steps to be taken.</i>
20.12.2023	Volunteer Committee – Initial Meeting	<i>The meeting consisted of current project updates, O-Day preparations and general goals for the upcoming year. I also presented my Duke of Edinburgh Award Centre initiative to the committee.</i>
09.01.2023	YLC Handover	<i>I had a virtual meeting with last year's YLC Chair, Julia, to become more acquainted with what the role entailed and the role of the YLC. She recommended certain ways in which the YLC should be organised for the coming year.</i>
12.01.2023	Duke of Edinburgh O-Day Booking Inquiry	<i>I met briefly with the events staff on booking an O-Day stall in preparation for the Duke of Ed launch. I will be having a stall linked with Guild Volunteering due to Duke of Ed not being an established entity and having no assigned budget.</i>
20.01.2023	Duke of Edinburgh Award Centre Meeting	<i>Guild Volunteering and I met with two representatives from the Duke of Edinburgh Award (Jessica Moseley & Sean Moring) to discuss the process of how the Award centre is best implemented at UWA. Additionally, we have settled on the next stage of the process to get Duke of Ed established as an actual entity within the Guild.</i>

PROJECT UPDATE

Duke of Edinburgh Award Centre (DoE)

This month, I have been making significant progress in establishing a Duke of Edinburgh Award Centre here at UWA. I have successfully progressed through the approval stage and have settled on DoE being under the banner and purview of Guild Volunteering during its inception. Both the representatives from the UWA Guild and Duke of Edinburgh have met in-person and are both happy to proceed with the next stage of the process.

At the moment we are awaiting the Guild Volunteering Officer to return and organise how DoE will be presented from a management perspective. As it stands, we are heading towards the framework of a Social Impact Club; similar to that of a PROSH and Relay for Life as it has a student committee but is also under the management of a Guild staff member in order to maintain consistency.

Young Leaders Council (YLC)

This month, I met the previous YLC Chair, Julia, to familiarise myself with the role of the YLC Chair and the make-up and purpose of the YLC in general. We went over general information about how the day runs and its attendance, touching on ideas of directing the YLC more towards Year 11s rather than just Year 12s. Conversations of committee roles and a potential sub-committee were talked about. Finally, we discussed last year's themes and their successes and failures. At the moment I am awaiting to be contacted by UWA Future Students, however, if I do not get any message I will make an inquiry in the next week.

World's Greatest Shave (WGS)

This month, I have begun work on planning a World's Greatest Shave event to be held sometime in April. I am currently only in the initial stages of writing a proposal document and would like to gauge enthusiasm from other members of the Council on their willingness to be a part of the event. I would like to collaborate with fellow OGCs on organising and preparing this event. Additionally, I need to meet with the events team as well as Guild Volunteering to see if they can both assist with the event preparation.

FINANCES

N/A

ACHIEVEMENTS

- Developed a comprehensive plan for the establishment of a Duke of Edinburgh Award Centre.
- Successful in the Duke of Edinburgh Award initiative being approved by both the UWA Guild and the Duke of Edinburgh Award.
- Informative and engaging handover from the previous YLC Chair
- Met with Volunteering Committee and made future plans

DISCUSSION POINTS

- Who would be interested in taking part in the World's Greatest Shave with me?
- Who would be interested in organizing and preparing the World's Greatest Shave for April?

SUMMARY

This month, I have been laying out plans for the projects I'd like to embark on for 2023. I am part of the Guild Welfare & Advocacy committee and the Guild Student Services committee, so I have also been finalising ideas for what projects to do within those committees. One of the projects I have already started on is the 'Know Your Rights' guide.

PROJECT UPDATE

'Know Your Rights' Guide

The 'Know Your Rights' document is a guide that details student rights and responsibilities so they may know what the university can and can't do with their academics, as well as what students themselves can and can't do. The contents of this guide also inform students of regulations around unit outlines, assessments, special consideration, appeals, complaints, bullying on campus, as well as, fees and Charges. I believe this guide is an important document for students to have, however, it was last updated by Conrad Hogg in 2018. I have been researching and writing updates to include in this guide so we can publish one for 2023.

SUMMARY

Been working on the department since November and have had a productive time so far. There were many inductions with many stakeholders including key members of the UWA Senate who have expressed their intention to work closely with the UWA Guild but also recognise the role that we play and that we would sometimes have to disagree. The PSA Committee is growing and we aim to have the full committee ready to go and engaging with students through O-week and other PSA events throughout the year. Faculty Societies and representative groups have also been engaged to further the objectives of the PSA and I look forward to an amazing 2023 with my PSA team.

SUMMARY

Since taking office, the Department has been focused on getting this year's projects off the ground and planning the calendar for College Row. RSD has endeavoured to set standards high for resident involvement with UWA and College Row stakeholders, touching base with relevant UWA/CR staff ahead of broad NSSS response, ahead of a seemingly post-COVID O-Week, and ahead of pertinent initiative launches. While most of the Department is away for the summer, we have still had promising planning discussions with IC Reps and set solid groundwork for a communicative 2023 Inter-College Council. I can absolutely commend College Row resident leadership for their unprecedented engagement despite being on break, and for their prompt organisation regarding Fresher Fest. We're excited for the full community to return to College Row and looking forward to an active year for the Department.

PROJECT UPDATE

Guild & PSA 2023 Shirt

Following numerous consultations, an unsuccessful initial commission, and many patient tips and tricks from Xander Sinclair, I am proud to say the first indigenous-led shirts for the 2023 Guild have been completed. Supplementary items including a launch and content day are soon to follow before the end of the month.

2023 Welfare Strategic Framework & Committee Creation

In review of the Department's shortcomings in 2022, policy documentation and regularly-available accountability measures were necessary to move forward. In light of this, a framework has been created for the documented creation, implementation and success-metric for all ongoing and future policies. Furthermore, a restructure of committee responsibilities and the successful creation of a 2023 committee has been achieved.

FINANCES

N/A. Technical budgetary issues have prevented a data rollover from 2022 to 2023 within Netsuite.

ACHIEVEMENTS

Nothing that hasn't already been discussed.

DISCUSSION POINTS

O-Day and Guild on the Green initiatives have been slowed momentarily due to the Netsuite issues. Aside from this, I'd like to thank all of the Guild staff in helping me start off the year fantastically.

Cheers,

SUMMARY

This month has been a month of getting familiar with groups and processes associated with the guild. Have met with several groups and UWA staff to speak about current and future projects. A committee for women's department is being formed as we speak. Execs have priority and positions will be filled by the end of Feb.

MEETINGS ATTENDED

<i>Date</i>	<i>Meeting</i>	<i>Purpose</i>
14/12/2022	Health promotions and women's catch up	Find how each of us can support the other throughout the year
11/01/2023	Discussion : Reid library refurbishment	To see if they're targeting trouble areas concerning the NSSS survey. Ask questions about the future of pink box initiative
12/01/2023	NSSS results break down and safer communities Discussion	Talk about NSSS results concerning UWA. Discuss further action thats needed and what can get to students
18/01/2023	Student life student reference group meeting	Become familiar with the different support systems available at UWA
19/01/2023	Safer communities reference group	Actions to be taken after NSSS survey results

PROJECT UPDATE

Pink box

Talked to Reid library. Want to trial have sanitary pack in the library bathrooms. Some had felt uncomfortable talking to staff about sanitary products. Unlikely we would have a dispenser in the bathrooms. To talk to Jenny Ophel about this as Reid is rebuilding most of their facilities so costs could incorporate into the construction.

NSSS survey works and collaborations.

NSSS survey results are a big concern for UWA (most may know). Working with safer communities' group as well as student life student reference group. Look into steps that are to be taken for the year.

Pregnancy support at UWA

Most supports are already provided by student assist (living room). Want to make this more known and even fight for a financial aid for those who are in financial hardship.

DISCUSSION POINTS

International women's day is the 8th of March. The theme is Embrace Equity. Instead of having the one day like to have a few events throughout the week. This will now run next to sexual harm awareness week. Would make a good impression on new students. One event organised by left action, a rally to request accessible and on demand abortions. This is on the 8th. I may not make it depending on Committee conditions, but want people here to attend.
