## 17. MOTION WITHOUT NOTICE (REPRESENTATION)

- 17.1 The Guild recognises the significant and ongoing impact of the drought which is now into its third year in the Gascoyne and Murchison region.
- 17.2 The Guild recognises that the drought has now resulted in a lack of feed for cattle and other animals in the region and led to destocking across the region. The ongoing drought has created animal welfare concerns as well as impacting the financial viability stations in the region. These issues combine to result in substantial mental health implications for those living in the region.
- 17.3 The Guild commends Farmers Across Borders for providing hay to farmers in the affected areas and calls upon the State Government to support the organisation and provide further support to affected peoples living in the region.
- 17.4 The Guild suggests that students check in on their friends who have returned to University from the Gascoyne and Murchison and further suggests they seek assistance from Guild Student Assist and University provided mental health services.

**Moved: Louis Bird**

**Seconded: Troy Wood**
