8.0 MOTIONS ON NOTICE

1. That Guild Council approves for inclusion into the Guild Policy Book:
Guild Council recognises the value and importance of all student spaces on campus, including clubrooms, Faculty Society rooms, study spaces for undergraduates and postgraduates, and other general student common spaces;
Any attempt to reduce the size or number of student spaces should be made in consultation with the Guild and other relevant student groups;
That all Faculty Societies should be provided a space in their own faculty to serve the students they represent; where one is not provided, the Guild should lobby the University or faculty in conjunction with the Faculty Society;

That Guild Council acknowledges that all clubrooms provided by the Guild are a privilege, and requires tenants occupying Guild spaces to uphold all Guild policies; and,

That no Guild-affiliated club or Faculty Society is entitled to a Guild tenant space, regardless of how long they have occupied that space of the investment that they have made into it.

Moved: Reece Gherardi, Seconded: Jack Looby

C) Accepts that the enforcement and coercion of political correctness and cultural Marxism through the institutional powers of the guild is inconsistent with the core values of freedom of speech.
