Project updates

Parking & Transport Survey

All students will be able to complete a survey regarding transport and parking. The survey is both a demographic understanding of student parking and transport trends but also an aspirational survey that allows student input into potential parking and transport projects that will improve the on campus experience.

This will be disseminated through all Guild newsletters, on social media and we will be looking into having pop up stalls with give aways for students who complete the survey.

UWA Digital

All students will soon be able to access ‘Ash’ the Automated Student Helper on the current students webpage. Ash will be able to assist students with quickly finding information on the Ask UWA pages as well as responses from the Guild’s most frequently asked questions. The chatbot will be responsive to ‘natural’ language and questions as well as available 24/7.

In addition, I have been in developed meetings and have a few more outstanding to consult on a new all student UWA app. The first meeting was with Involvio, which is a US based company that has created a student app that integrates your academic calendar, automatic reminders, all student messaging, message boards, events, resources and course materials all available in one app. ‘One app to rule them all’ so to speak.

2030 Strategy

I have recently been engaged as part of two of the universities 2030 vision planning in the Education and Environment streams. The other streams include Research, Interdisciplinary Teaching and People & Culture.

The Environment workstream will be asking stakeholders of what transformational initiatives could we consider to create the UWA Campus of the future especially in regard to our learning spaces, teaching and research infrastructure and social and networking spaces. It will also be assessing how we can create a ‘digital’ campus as well as enhance the ‘bricks and mortar’ campus.

Guild President

GUILD COUNCIL REPORT MAY

The Education Stream terms of reference outline the objectives of leading several consultations in response to the university green paper on the 2030 education vision and then capture, assess and test the outcomes of that feedback in order to develop an options paper that will assess how we transform learning and teaching at UWA.

Safety on Campus

As part of the University's commitment to the AHRC report recommendations regarding combatting sexual assault and harassment on campus, the university has invested in an independent audit into college row practices regarding this issue. The audit will include an all student survey and the option for students to participate in one-on-one confidential meetings. The audit will look at assessing the cultural issues that may be present on college row and what processes are in place from an administration perspective that combat and address these issues.

The survey is currently in the final ethics approval stages and will be made available to students in semester 2.

Refectory Project and Guild Masterplan

All students can now enjoy the new Refectory space which was opened earlier this month! The space features a new student kitchenette, heaps of seating in a variety of styles as well as powered tables, more wifi routers and a new PA system. The major launch will be next semester once the procurement process for vendors is completed.

In addition, the Guild will be reviewing its masterplan with the architecture firm, Hames Sharley. This is an exciting piece of work that will ensure the innovation and renovation of the Guild precinct and allow for more tenancies, more club spaces and new student service delivery spaces for services such as Student Assist, the GSC and Volunteering.

Albany Campus

The executive will be planning a trip to visit the Albany campus. This trip will not only be used to facilitate stronger relationships between main campus and the Albany students' association but also will be run in conjunction with Peter Dean the PVCE to conduct some 2030 UWA Vision forums for staff and students.

Semester 2 Orientation

The Guild has been engaged with the university to start the planning for semester two orientation. The overall objective of this round of orientation is to ensure that incoming students feel equally as part of the UWA community as those students who commenced in the beginning of the year.

Guild Office Bearers will be able to run events throughout the week, and the discussions have been around how can we repackage flagship events from semester 1 and semester 1 orientation into a 'mini' version for semester 2 so that half year intake students can have similar university experiences to those who began in March.

Student Interpreter Budget Allocation

I'm working with a student who is a well known Deaf rights activist and Chris Massey who is taking up the Student Life and Student Experience portfolios to develop a clearer policy or guideline around the budget allocation for interpreters that students can access for social and non-academic events as part of the UWA experience.

Currently, the project is sitting with the Uni to investigate any legislative requirements that may shape this guideline.

Lecture Downloads

I have been working directly with the DVCE David Sadler and the PVCE Peter Dean on a new policy stance for the university regarding lecture capture and downloads. The revised policy stance will see all lectures that are not eligible for special exemption (like some medical lectures for example) to be recorded and made available for download for the semester. This proposal will be put to education committee before going to academic board.

Equity and Diversity Committee

As chair of the Equity and Diversity Committee and also a member of the university's Diversity and Inclusion committee, I have tabled an agenda item to the university that come out of an equity and diversity discussion around special exemptions for trans students who change their name post-graduation to get a reprint of their graduation certificate for free. I will update council at next month's meeting.

Audit and Risk Committee

Guild President

GUILD COUNCIL REPORT MAY

Tony, Mutya, the Deloitte Auditors and myself will be presenting to the UWA Senate Audit and Risk Committee regarding the four audits the Guild undertook at the start of the year as well as the submission of our 2016 all student survey and the 2018 orientation student survey data. I will updated council on the outcome of this meeting in the future.

GUILD COUNCIL REPORT 30/05/2018

INTRODUCTION

During May, SOC started headway into a few projects such as EFTPOS machines for clubs and an online CCZ booking platform trial. We saw to the disaffiliation of one club and the affiliation of another. This month also saw to getting through the delayed SPGs, feedback to clubs with unsuccessful applications, and Jim filling in as SOC Treasurer until Taylor is fully recovered.

MEETINGS ATTEND

DATE	MEETING	PURPOSE
16/05/2018	SOC Meeting #4	The meeting ran successfully, with the first half covering our usual notices that clubs need to take note of. The second half consisted of a fun SOC quiz to recap important facts and rules about running clubs such as EMPs, ERFs, general SOC-related questions to test the club executives. We also saw the disaffiliation of the Jazz Club and the affiliation of the Accounting Association at this meeting.

PROJECT UPDATES

CCZ ONLINE BOOKING

- Cindy has been taking charge of the CCZ Online Booking through LibCal with Kelvin. The GSC and a handful of volunteer clubs have been trialling the system for bookings, to test out any flaws and improvements required in the system. Ideally this platform would be used in place of Netsuite but is still in the trial process, and if all goes according to plan (timeline), we would like to at least roll it out for all club executives to use by the beginning of next month.

EFTPOS MACHINES FOR CLUBS

- Luke, one of my Ordinary Committee Members, has been working with Kelvin to work out a policy and system for hiring out EFTPOS machines to clubs for wireless transactions, especially during common hour stalls held out on Oak Lawn and in the Ref.

PROJECT UPDATES

FRINGE FESTIVAL

Fringe Festival is finally wrapped up! After being in the planning process for weeks, we were finally able to activate the campus with arts, culture and music. From magicians to caricature artists, from acapella groups to full band set ups we had a bit of everything. By spreading the acts throughout the week and allocating them population commute locations to perform we were able to capture student's attentions even for a few minutes as they commuted for their daily coffee or off to their tutorial. Over the week we featured over 40 different busking acts the majority of which were showcasing student talent on campus, over 10 clubs and societies collaborations and over 100 different volunteering slots allocated. This year we gave a heavy focus on marketing our event. From handing out stickers, personalised lanyards, to handing out tote bags

Public Affairs Council

GUILD COUNCIL REPORT 30/05/2018

to booking screen savers at the library computers to playing a video at Barry J Marshall library. With the help of sponsorship team, we were able to successful push the UWA Fringe Festival 2018 Facebook event through promotions and giveaways. In fact, at least on giveaway was organised per day of Fringe Festival. From Ararat's Kababs vouchers to V energy drink to free fish and chip for the whole common lunch hour! During every activity during Fringe Festival, a Relay for Life tin was positioned to raise money for Relay for Life but also to raise awareness for the cause. I look forward to counting the funds we have raised for the Cancer Council. My team and I have most certainly enjoyed bringing Fringe Festival to the UWA campus. I hope we made as much of an impact was we think we did.

TAV COMEDY SHOW

The Tav Comedy Show was held on the Monday of Fringe Festival. Feature headline acts, Son of Fred, it was a night filled with fun and laughter. More importantly, this event was designed to showcase some of our student comedian acts we have on campus having 5 students compete for our sponsored cash prize.

FRINGE AFTER PARTY

Fringe After Party was an event held in collaboration with MSU, ASIA, CS, KCC, DESI, Fil-Aus and HSS to celebrate the end of Fringe Festival. Running a main stage and a silent disco at the tavern we had a successful turn out with all proceeds from ticket sales going towards Relay for Life and the Cancer Council.

SOC/PAC SIGN IN SYSTEM

We are currently collaborating with SOC to develop a more efficient sign in system for monthly SOC/PAC meetings. We have met up with the SOC Secretary to gain their views on our system and where issues may arise in order for use to mitigate them for a QR system. We are also currently looking to possibly using RFid as a possible sign in technique for increased security and will be getting Kelvin's opinion for this matter.

SEMESTER 2: END OF SEMESTER PARTY

After meeting with Nevin, we are keen to push forward with planning an End of Semester Party for second semester. Using the Fringe After Party as a beta test for an event on a much larger scale. We hope to continue to collaborate with the clubs in collaboration for Fringe After Party but also intend to include more clubs to make it a more inclusive event.

CHARITY TALENT SHOW

In collaboration with UDS and the Dramatic society, we are currently in the planning phase of organising a charity talent show to feature student talent on campus and to raise money for a selected charity organisation.

INTRODUCTION

May has been a very busy and exciting month for the Pride Department! We're developing a number of new and exciting initiatives, and busily planning for next semester in the lull that impending exams and assessments has left with the department. We've also made positive progress with our camp and are moving forward with plans for Pride Week.

MEETINGS ATTENDED

DATE	MEETING	PURPOSE
01/05/18	Blackstone Collaboration Meeting	To sit down with Hannah Kim from Blackstone to discuss future collaborative efforts between the Pride Department and Blackstone
04/05/18	Events	To discuss possible collaborations with Blackstone and how the collaboration can be mutually beneficial for both the Guild and Blackstone
12/05/18	Events	To discuss events for next semester and how the events team can help us be successful
16/05/18	LGBTIQA+ Working Group	To represent the student voice on the working group and to discuss various issues pertaining to LGBT+ students on campus and how the university can help them
16/05/18	Outspoken	To meet with possible writers for the Pride Department's annual Outspoken publication, to get their opinion on how the magazine can best be run, what kind of content and layout would be favoured, and to properly introduce interested parties to our editorial staff.
17/05/18	Chloe Jackson	To discuss a solution to the problem of Trans students having their non-preferred name called out when collecting coffee and to workshop a possible solution

INITIATIVE UPDATES

CAMP CAMP

Camp Camp, which will be the Pride Department's first ever camp, has been scheduled for a weekend in the middle of July at Lake Leschenaultia – to have a similar appeal and feel to mid-year Rottneest events. The main directive of the camp will be to foster relations between LGBT+ students at UWA in order to help them build networks of support and resilience that will help them navigate their way through university life and beyond.

The camp itself has been vetted and approved by Chloe Keller and Megan Lee following the extensive assistance of Kasey Hartog when she was still with the Guild. The camp will be self-catered and managed by Fraser Windsor and Dylan Perkins.

PRIDE DEPARTMENT

GUILD COUNCIL REPORT 23/05/2018

The exact date has yet to be officially set, as the camp leaders are currently developing the optimal dates that meet the needs of the greatest numbers of students.

COLLECTIVES

The Collectives which currently represent the Lesbian, Gay, Bisexual, and Trans communities within the Pride Department, are continuing to do extremely well. The Bisexual and Lesbian collectives are meeting regularly, and the Gay and Trans collectives are coming back on track after some issues pertaining to membership. Moving forward, as the collectives are more established, there will be an increased focus on the Officers and collectives having an ongoing dialogue pertaining to issues relating to the collectives and the issues they represent.

WEEKLY EMAILS

The mailing list continues to go extremely well. After several weeks in which the list was not contacted – due to a proliferation of assignments and deadlines across the leadership team of the department – the emails are being sent out once again. We have had an active opening rate between 65 and 75% every week. We have also found that we are having a high level of weekly event retention and positive cross-collaborative success with clubs and groups asking to be mentioned in the weekly emails.

REGULATIONS

Reece Gherardi has been tasked with overseeing the updating of the Pride Department's regulations – in particular including a framework for the regulation and integration of the collectives. A further meeting is scheduled, after which the regulations will be sent through to the Governance committee for approval, and then presented to a Pride general meeting.

COLLABORATION

Pride is entering into a close collaboration with the Blackstone Society's Queer Officer, with the hopes of promoting LGBT+ issues on campus more effectively. Pride attended and supported Blackstone's wedding reception to celebrate marriage equality in Australia on the 15th of May and is currently working with Blackstone to organise and host a viewing of Love Simon for Wear It Purple Day (an annual day used to raise awareness of youth issues in the LGBT community, originally started in 2010 in response to the suicide of New Jersey teenager Tyler Clementi). This event, while still in the planning stages will be funded by the guild and will hopefully act as a soft launch leading into Pride Week.

PROJECT UPDATES

WEEKLY EVENTS

Pride's Weekly events have been going extremely well. In particular LGBTEA on the 10th of April was so well attended that there was nearly not enough space in the Pride Room! We also collaborated with the Wine Appreciation Society for their Mardi Gras event, which was highly successful.

GALA

To celebrate forty years of the Pride Department (which began life as the Department for Homosexual Information in 1978), we will be running a charity gala to raise money for a deserving LGBT+ charity. This gala will act as an amazing opportunity for former LGBT+ students and allies to meet with current students. There will be a wide collection of historical images and artefacts which will add an depth of history and interest for the event. In terms of progress, there is a meeting scheduled with the Gay and Lesbian archives, following on from which there are meetings scheduled with other interested parties which will be expanded on as they occur.

PRIDE WEEK

Pride Week – the Pride Department's theme week – is in the planning stages. The week will see a number of very exciting events including: a networking night (where we will host a number of LGBT professionals from across various industries), Coming Out With Cake (an event where various LGBT+ students relate their coming out experiences over cake), Pride Carnival (an event where we will collaborate with clubs and cultural organisations to run LGBT inclusive events), and a 40 Years of Pride Department event (which will celebrate the fortieth year of the Pride Department). We are also currently finalising the design for a banner for the Pride week.

STUDENT ADVOCACY

Following a meeting with Chloe Keller, the Pride Officers will be seeking the advice of the Trans collective about the possibility of issuing Guild Associate cards to Trans students with their true names associated with them, allowing them to collect coffee and tea orders from Guild outlets with far less stress and embarrassment.

PRIDE DEPARTMENT

GUILD COUNCIL REPORT 23/05/2018

This is the first step in a wider initiative to assist students in dealing with the University in regard to LGBT+ issues, including: clarifying the process of changing names through student central, making the process of changing names more widely accessible, discussing the possibility of including gender inclusive options as standard in University forms, including an Mx option on forms, and working to support students generally in these areas. These changes are being supported by both the Guild and the University LGBTIQA+ Working Group.

OUTSPOKEN

Outspoken is the Pride Department's annual publication – similar to the Women Department's Damsel magazine – which was published for the first time last year. It acts as a vehicle for LGBT+ students to submit fiction and non-fiction articles, art, photography, and prose (amongst other things). On the 16th of May, the first planning meeting was held. A group of interested writers and content-creators met with the Pride Officers and Salim Arsiwala and Amelia Birch (the two editors for the magazine). The meeting covered various issues including: what kind of content we would like to use, the pros and cons and possible improvements over last year's publication, how the magazine will be structured, and breakout groups to discuss ideas.

INTRODUCTION

May has been quite an extraordinary month for the RSD. We kicked off with our annual Ball, which our committee worked extraordinary hard to orchestrate. We also had our annual Lip Dub Screening and continued to advance ongoing projects. After a very hectic month, we are all looking forward to a rest during semester break. Thank you to everyone who helped and supported the RSD during the preparation for our ball, we are extremely grateful.

PROJECT UPDATES

RSD CONSTITUTION CHANGES

We are still pending feedback from Governance Committee regarding the proposed changes to our Constitution. I did meet this month with Ben Perry who has drafted the Key Performance Indicators for the RSD. These include both fail and scaled KPI's that if completed to a high standard, may result in our department receiving a vote at the conclusion of 2020. This is a long-term goal that will ensure future committee's continuity of the RSD's current vision and direction. These KPI's will continue to be developed this year and set in place for the 2019 RSD President to follow.

SAFETY ON COLLEGE ROW

With our two end of Semester Tav Shows (24 May, and 3 June) fast approaching, I have requested the lights along the pathway to and from Reid Library to be repaired. With hundreds of residents walking through campus past midnight, it is vital that these lights are in working order to maximise safety on campus.

I will be meeting with Jessica Darmago (self-defence teacher) in the coming weeks to finalise the Self-Defence Classes program for Semester 2. Whilst this project was put on hold over April, we are now determined to roll out this initiative to the colleges in the first half of next semester. More details will be in my June report.

NAAUC SPONSORSHIP

We are pleased to announce that the successful applicant for our scholarship is Caitlin Barrett from St Catherine's. Caitlin will be travelling to the Brisbane NAAUC National Conference in July and will present a report to the ICC on her return outlining her experience and knowledge gained. We look forward to seeing Caitlin make positive impact on College Row in the near future.

METHANOL POISONING AWARENESS – LIAM FOUNDATION

Last month, Pheobe Ho (Welfare Officer) and myself met with Lhani regarding marketing content for her organisation educating young people on methanol poisoning. These posters have been approved by Guild Engagement and will be distributed across Colleges.

COLLEGE ROW MARKETING

Throughout the last month, I met twice with Angela Reimers and Hannah Lye regarding marketing for the College Row Community. We discussed the possibilities of using footage and photography from RSD Events to capture the community spirit of College Row instead of marketing each college individually. Photos from the RSD Ball will be included in the brochure as well as mention of the RSD as the key organisers of cross-college activity. UWA Marketing is also looking at including QR Codes in the brochure that link to video content of RSD events and virtual tours of college areas.

SOCIAL MEDIA PLAN

Since meeting with Engagement to develop a social media plan, we are closely monitoring our Facebook posts and have resurrected our Instagram page. We are hoping to further this by bringing on board a project officer for Semester 2, who is solely in charge of graphic design/orchestration of our Instagram and

For Semester 2, we are looking at bringing a project officer on board to orchestrate our social media, and managing our inter-college social media system. They may potentially be responsible for coordinating our Pelican articles and a potential Humans of College Row series.

MEALS ON CAMPUS

Sebastian Wilson and I met with Jack this month to discuss the best way to approach this project. The two methods for residents receiving meals on campus are to load credit onto student cards or hand out individual meal vouchers. As each college has a unique dining system, we are currently investigating the best options for each, and intend to meet with each Head of College in the coming month.

WELFARE WEEK

Planning is underway for our first ever College Row welfare week. The structure of the week will be similar to that of the Welfare Department's, however we will hold each day's activities at a different college (all colleges are invited to attend though). We want to target issues that affect college students specifically, for example homesickness and safety on campus. The Welfare Department will be assisting us in the co-ordination of this week.

EXAM STUDY SESSIONS

For semester 2 we are planning to arrange inter college study sessions on college row with lecturers and/or tutors from UWA for some of the major first year units. E.g. ANHB1102, PSYCH1102, ACCT1101 etc. These will be free and accessible for all college residents in preparation for exams. Whilst it is too late for us to implement this for semester 1, we may be able to achieve it for mid-semester exams and end of semester exams in Sem 2.

EVENT UPDATES

RSD BALL

Our Ball was the highlight of my term to date. The sold-out event had minor complications and received extremely positive feedback from both students and staff.

INTER-COLLEGE COMMUNITY CUP – HBF RUN FOR A REASON

HBR Run for a Reason is this Sunday morning and we have a team from each college participating. We are awarding points for both runners and volunteers from each college, and a bonus point will be awarded to the college who raises the most. These will be tallied and added to the overall Community Cup score. Good luck to all college participating this weekend!

TAV SHOW – COLLEGE VS FACSOC FRISBEE GAME

Tomorrow night is our first ever collaborated Tav Show with Faculty Societies. We are currently unsure as to how the weather will turn out and may have to cancel the Frisbee, however will look at rescheduling the match to the beginning of Semester 2. Both Colleges and Facsocs have expressed keen interest in the event and we are looking forward to the turnout tomorrow night. See you there!

TAV SHOW – END OF SEMESTER

Our End of Semester is very different this year as we are having it on a Sunday evening! In the Tav as usual, we will have sport games and challenges happening from happy hour on to 6.30 then our usual Tav Show beginning from 7.30pm. This is the final inter-college celebration for the Semester and an opportunity for residents to enjoy themselves before study week and exams. More details on the Facebook Event.

FRINGE FESTIVAL

RSD was very excited to be involved in Fringe Festival this year. We endeavoured to have each college participate in a flash mob throughout the week but due to late notice and a busy time of year, only St George's were able to participate. You may have seen them dancing on the grass in front of Reid...

LIP DUB SCREENING

Our annual screening ran relatively smoothly. We did have issues with venue size and organisation in the lead up – simply due to poor communication within our committee. Despite this, 2018's Lip Dub's have all been exceptional. Congratulations to all the colleges on your videos! Results were as follows:

- | | |
|--------------------|---------|
| 1. St Catherine's | 167 pts |
| 2. St Thomas More | 159 pts |
| 3. Trinity | 153 pts |
| 4. St George's | 147 pts |
| 5. University Hall | 116 pts |

ALTERNATIVE EVENTS FOR U18

We are very excited to be able to run our first alternative all ages event on the same night as our Tav Show on 24 May! It will be a movie and pizza night and an opportunity for non-drinking and U18 residents to enjoy cross-college interaction in an alcohol-free environment. This event is free and open to all residents.

BATTLE OF THE BANDS

Planning for our biggest event of Semester 2 is now underway. With some room to move in our budget, we are looking to hold this event on Oak Lawn rather than inside the Tav and make it a free event for not only all residents, but all UWA students. College's are beginning to organise their bands in preparation.

FINANCES

Below is a brief summary of our expenses for the year to date, not including the expenses of the Ball, which are estimated to be just below \$40,000.

INTRODUCTION

This has been a hands on month for Sports as the weekly competitions have seen introduction of new sports to the calendar.

MEETINGS (& PROFESSIONAL DEVELOPMENTS) ATTENDED

DATE	MEETING	PURPOSE
03/05/18	Meeting with Jill Sanders and Lauren Espinoza	Final meeting to make sure that all the logistics are covered for the introduction of Quiditch to the interfaculty sports competition.

INITIATIVE UPDATES

Sporting equipment in the GSC

Is here and available in the GSC! Currently discussing with engagements ways to market it to make sure that students and clubs are aware of the new equipment they can hire.

Interfaculty Refreshment

We have seen the introduction of a new sport onto the calendar. The introduction of Interfaculty Quidditch was received highly. It was a great round and saw everyone really enjoying their time. It was also a great opportunity to have the Harry Potter Society collaborate with not only the guild but UWA Sports and their knowledge and expertise were irreplaceable to have such a successful week. There have also been changes to the structure of combining weeks of the same sport so not to have designated men and women weeks. This aims to bring down more spectators for each week and increases the possibility of people coming down to play. Basketball is the first sport to undergo this change for the 2018 interfaculty season. We are now moving onto the next phase of our new sport roll out with E-sports. E-sports is another new introduction into the calendar which will see club involvement to incorporate new events to widen the reach of interfaculty sport.

EVENT UPDATES

PRIDE

I have gotten into contact with various rink providers and am working on finding the most desirable quote to lock in a provider for Pride Week in Semester 2.

INTERFACULTY X INTERCOLLEGE

Working with Maddie and Conrad to make sure this event goes as well as possible for the 24th of May. I have gotten together rules, equipment and BBQ for all players and spectators attending the game.

16/05/2018	Treasurer Training	Club Treasurer Training, Chairing
17/05/2018	Guild Executive	General GC topics.

PROJECT UPDATES

Ref has now opened and is looking great. Elevator is currently being installed.

Our commercial team is looking into possibility of introducing a mobile pre-order system for coffee as one that is compatible with our existing POS system has just been found. Possibility for this to extend to food deliveries on campus.

Café's are now moving focus to reusable cutlery and plating where possible to reduce waste, most notably in Hackett and Nedlands.

I've also been handling the SOC treasurer responsibilities this month in the absence of their treasurer, holding 3 treasurer training sessions over three weeks, with ~25 more clubs now completed training. One final training will be held in the coming weeks for those who couldn't make the previous sessions.

As we are coming close to our mid year budget review, I need all departments to start getting their budgets ready for the review process, which will be similar to the budget proposal process at the beginning of the year. This means:

- Have all your expenses accounted for in NetSuite ASAP.
- Have your anticipated expenses for semester 2 planned out, and subsequently,
- Identify areas where your budget is higher than needed or could be redistributed.

As this stage I'm planning to meet for an individual budget review with all departments following exams. More info to come.

PROJECT UPDATES

Mature Age Students Association (MASA)

MASA Chair has been changed to Alan Bannister and the new committee has been formed. New ideas for 2nd semester and liaison with Mature Age Pathway (MAP) is well under way.

Guild Website Revamp

Website rollout plan has been confirmed with Chloe Jackson, Danielle Browne and Kelvin Lee. There are 7 main stages projected to be completed by start of 2nd Semester.

- i. Stage 1 has been completed: gathering student and staff feedback and market research of current websites by Lyn Silitto and the engagement team.
- ii. Stage 2 Ongoing: Reaching out to website developers and providing feedback and suggestions from a functionality point of view
 - a. JuiceBox and Humaan amongst others has been contacted. We are still looking for more but the costs of the website is projected to be way over budget right now.

Inter-College Council

Inter College council is working well with Maddie in supporting RSD events and providing college students feedback on what is expected from RSD. More information can be found in Maddie Hadderwick's report.

Chairing Corporate Services Committee

- i. Second Hand Bookshop booking and delivery for Albany Students has been completed. Albany students would be consulted when the executive goes down to Albany in June
- ii. Revamp of Second Hand Bookshop brought forward by the new OCMs; Joanna and Lyn.
- iii. Finance Interns from the business school should be coming in soon.

Chairing International Student Council

After 2 ISC meetings, we are maintaining good relations with key international student reps. A lot of amazing ideas have been going around about collaborations and creative ideas for the 2nd semester orientation where we get a higher intake of international students and exchangers.

ISC has also been seen by cultural clubs to come for help and advice on how to increase engagement in their clubs

Key points:

- i. International Rep Training
- ii. Surveys
- iii. International Students exclusive events
- iv. International Day

Chairing Publications Committee

The Publications Committee was passed through last year. We had our first meeting to discuss how the committee shall run and regulate publications that will be published. All of these will go hand in hand with Danielle Browne and Chloe Jackson

- i. Pelican – Megan Lee
- ii. Damsel, Outspoken – Kate Fletcher
- iii. Lighthouse - Su
- iv. The Post – Nevin

Su's Superstars

A new initiative to recognise the efforts of the team of Office Bearers.

- Roshni Kaila is the Superstar for this month
 - o Roshni and her team have been working very hard to revamp the Womens' Department Room, plan and execute an amazing Womens' Week, SCREW week, International Womens Day, 3 Collectives, consent matters proposal, lighting in UWA and so much more!

VICE PRESIDENT

GUILD COUNCIL REPORT 24/5/2018

WiFi Upgrade Project

Working with Conrad Hogg on UWA's WiFi upgrade meeting.

- WiFi and Equipment Survey is ongoing with Telstra
- Music School will be getting major upgrades in 8 weeks
- Reid's restructure will be a basis for future updates in BJM Library, Zoology and Civil Mech Buildings.
- I will be getting in contact with Albany and UWA's College, University Hall, to gather specific feedback for WiFi upgrades

Guild Sustainability Project *NEW*

Basundhara and I have been working together to make the operations of the UWA Student Guild more sustainable and environmentally conscious. We have had external companies recognised by the UN to come in with proposals or an audit of gaps that we are hoping to fill. Megan, Tony, Jack Spagulano and Geraldine (UWA Sustainability efforts) are being consulted throughout the process.

In the meantime,

- Basundhara has had an overwhelming response in selling keep cups and informing people about the 30cents discount that one receives when using keep cups
- We are looking into signage in the Guild office related to usage of electricity and water
- We are looking into substitutes of plastic cutlery and straws in the cafés!

INITIATIVE UPDATES

COFFEE CUPS WITH STUDENT ASSIST HELPLINE

Delay in printing as company printed the wrong cups— printed Curtin instead of UWA logos. This is now scheduled for 30th June.

MENTAL HEALTH FLOW-CHART: SERVICE NAVIGATION

Discussions of having this integrated as interactive click-through online or through the Access App.

WELFARE PROFILE OF THE MONTH

Started this month, with our first featured profile being Patrice Mitchell from Student Assist. This will be posted the first Sunday of each month.

WEBINAR SESSIONS

Still waiting on action from Engagement who is following up from the University.

FOOD PANTRY

Food Pantry has been steady. As I will discuss later on, we will have some clothes from the Welfare Week Cloths Swap or Shop donated to the Food (and Clothing) Pantry too. I have also contacted the colleges who have shown expressions of interest at the start of the year to see when they are able to start food collections from college residents. Barrett's Breads bread donations are still going extremely well, and have been very popular with students. Hopefully the FacSoc Food Drive and some items from our donation bin in the Rec Centre will help this initiative further. We have also organized for UWA Sport to have a graphic advertised on their TV screens in the Rec Centre.

EVENT UPDATES

FIT BODY FIT MIND SESSIONS (S1, W11)

We were planning to have free classes down on Oak Lawn, but due to potential for very low numbers of students coming through and weather that was not ideal, we instead had UWA Sport come down to hand out free gym passes, with the passes promoting Welfare Week and the Guild Welfare Department. There was also an iPad set up in the Rec Centre where students could access their free gym class there.

FACSOC FOOD DRIVE (S1, W11, 12)

Food Drive this year has been fairly successful, although probably not as successful as last year. We have worked with the Education Council this year to push for the Food Drive, but some FacSocs have unfortunately not been as pro-active in food collections. We are currently counting up the number of items per FacSoc.

WELFARE WEEK (S1, W12)

This has been extremely stressful (and a logistical nightmare) to plan and prepare... although it was extremely successful and worked out in the end! We had different themed days where some of our activities had to be cancelled, moved, or re-scheduled due to bad weather. We worked with Guild Volunteering to source volunteers to help with set-up and pack-down, but some of these volunteers had unfortunately not been very reliable. Nevertheless, we made it through in the end! Summary breakdown of the week is as follows:

- **Mental Health Monday:** Guild Bubble Soccer, Health Promotion Unit's '5 Ways to Wellbeing Pledge', CWAP's Creative Writing on Oak, BPhil Union's Free Pancakes
- **De-stress Tuesday:** Guild's Free Breakfast, UWA Paw on Oak Lawn, Science Union's DIY Bath Bombs, Maths Union's Art Therapy, headspace De-stress and Relaxation stall (with MSU Charity bake sale for headspace), Guild Pride Department Chill-out Zone, JapSSoc's Colour Your Stress Away, Leisure UWA's Hip Hop Yoga, Guild's Free Pilates, UEC's De-stress Board Games Night, and Art Union's Late Night Free Hot Chocolate.
- **Wellbeing Wednesday:** ECOMS UWA's Free Breakfast, free physio massages by Curtin University, UWA Health Promotion Unit's Think Drink Extravaganza, Guild's Free Yoga
- **Homeless Awareness Thursday:** Guild Welfare Department X FABSOC UWA's Clothes Swap or Shop, Guild Welfare Department's '**Guess How Many Game**' (with prizes), and **Guild Soup and Support**
- **Physical Health Friday:** Free REACH Health Checks (blood pressure, diabetes screening, glucose testing, etc.), UWA Dance Free Hip-Hop Dance Classes, UWA Sport fitness activities, HealthVend's nutrition tips stall with free bliss balls
- **All week:** UWA Sports free workouts, and ECOMS UWA's adult de-stress colouring in.

WELFARE OFFICER

GUILD COUNCIL REPORT 29/05/2018

It was a very full-on week, with a total of 27 micro-events run during the week. A big highlight would probably be the Clothes Swap or Shop. We had posters up promoting clothes donations 2-3 weeks prior to Welfare Week. However, we did not expect such huge influxes of clothing donations—it ended up being a huge success! We will be donating the leftover clothes to Vinnies, with the other half to our Guild Food (and clothing) Pantry.

We managed to stay just a bit under budget, which was great! Finances for Welfare Week will be included in next month's report.

OTHER PROJECT UPDATES

INDEPENDENT SEXUAL ASSAULT/HARRASSMENT

Myself, Madeleine Hedderwick (RSD President), Roshni Kaila (Women's Officer), and Megan Lee (Guild President) have provided feedback to the UWA Health Promotion Unit and the independent consultant agency conducting the sexual assault/harassment review on questionnaire questions.

METHANOL POISONING CAMPAIGN

Lhani Davies from L.I.A.M. (Lifesaving Initiatives About Methanol), myself, and Maddie Hedderwick have organized for her to send through posters, and potentially a coaster for the Tavern soon to promote awareness on methanol poisoning on campus.

DISCUSSION TOPICS

- Suggestions on ways to show our thanks to Barrett's Breads.

KEY ACHIEVEMENTS TO DATE

- Food Pantry sustainability: Securing a perishable goods sponsor for bread loaves (Barrett's Breads), and College Row involvement (Tommy More for charity tins and Food Pantry donations, St George's have indicated interest), partnership with UWA Sport. A food donation bin has just been implemented into the Rec Centre
- Coffee cups with Student Assist lines in the process of printing!
- International Student Welfare Packs—printed in English and Chinese with phone wallet case provided.
- Successfully-run outreach during International Students O-Day, Guild Day, and O-Day.
- Increased promotion of Guild Welfare Department and Student Assist services through first week lecture bashes in high volume first year units.
- Mental Health Panel Discussion
- PJ Day—raising awareness and funds for the National Sleep Health Foundation for sleep disorder research and sleep hygiene
- 'Re-Fuel Tuesdays' initiative— 2 sessions done so far. The first was a BBQ, the second was free Chobani yoghurts to students with Student Assist down to talk to students about our services.
- Mental Health Directory: Organized by on- and off-campus, low cost/public/private, and by mental health condition. These have been uploaded on the Guild's website, with the Guild looking to make it an 'easy-to-negative' interactive click-through flow chart.
- Pre Welfare-Week promo in collaboration with UWA Sports—free fitness class passes for students throughout W11 (With passes), and W12.

PROJECT UPDATE

Returning Officer Training

Nothing new to report.

Access Guides

This project will be back underway shortly, now that Charlotte has been elected as the new Access Officer.

Class Representative System

The system has been tracking well, as in previous months. The mid-semester round of feedback has been collected and indicates that class representatives are, thus far, very satisfied with the program. Representatives have been able to make tangible change in their units, and report that the training, ability to make change and the responsiveness of the unit coordinator to feedback are all generally positive (graph below). Thus far, representatives have given feedback that has led to improved delivery of tutorials, clearer lecture slides, clearer aims for assignments. This surveying has also indicated that the key weaknesses of the system is engagement between class representatives and the class, and communication between co-representatives; the training will be revised next semester to address these shortcomings. Most class representatives have had a positive experience, and the majority would like to be a class representative again in the future (graph below).

(1) Would you be a class representative again?

(2) How much do you agree with these statements, from strongly disagree (0), to strongly agree (10)

Mid-semester Class Representative Barometer

Best Units Guide

This is underway in the capable hands of Patricia and my projects team. Data collection is underway at the moment, and we are currently seeking for suggestions of units from Faculty Society Presidents as 'Presidents' Picks' to showcase both their FacSoc, and a great unit in their faculty.

WiFi Upgrades

The WiFi upgrades project is underway, and we will be seeing improvements soon. Music School and the 3rd Floor of Reid Library are high priority and will see improvement before the start of semester 2. ECM, Soil Sciences, Zoology, and the Great Court are part of the current 'block' of funding and will see improvement this year once WiFi surveys have been completed. Mondelphous and Humanities have been added to the list of future priorities.

Timetabling of Classes

This issue has been resolved with the Dean of Coursework studies. The policy is in line with the view that classes will **not** be held outside of standard teaching times, and 'problem' unit coordinators who do not follow this rule are being followed up by the Dean of Coursework Studies.

Assessment Policy Working Party

This Working Party has been established by the University to review the Assessment Policy – the policy that governs each and every assessment that a student does at UWA. The primary issue that this seeks to address is to bring the moderation and standardisation of marks in line with the Higher Education Standards – I will be pushing for the procedures to be transparent, fair and applicable to all students across the university. In the policy review I will also aim to make positive change for students by bringing in issues pertaining to late penalties, word counts, assessment during the exam study period, and a procedure for dealing with the outages of databases and resources, which affect the completion of assignments. If anyone has issues they would like brought to this working party, please let me know.

2030 Vision

With a lot of fresh leadership, the university is looking to strategize and refresh their student experience at UWA. A big part of this is the educational strategy – the "2030 Vision", written by David Sadler, has been circulated with the Guild Council Agenda, and I would love for all members of council to consider this and provide feedback. This is important, because although this may not make a visible difference to the student experience during our terms, it will be a big part of changes to the student experience in years to come, and as such, the student voice is extremely important. If you have feedback please send it to me or directly to vision2030@uwa.edu.au.

Facsoc vs Colleges Frisbee

Next week we will be holding the inaugural interfac vs. intercollege sports game on Thursday 24th May on Riley Oval. This is an opportunity for the Faculty Societies to unite as one to face off the colleges in a friendly game of frisbee. There will be three mixed field, each playing two games. It will be quite an event with photography, a sausage sizzle and a DJ at the event, and followed by an afterparty (read: Tav Show) in the Tavern. I look forward to seeing you all there.

Use of Animals in Undergraduate Teaching

Changes in regulations have led to the use of animals to be banned in all undergraduate labs that involved the knowing killing of an animal. This has caused a lot of upset amongst students and academics; and is currently under appeal by several departments of the university. It is currently unclear whether these decisions can be changed, or if they are controlled by national regulations, but the Guild will hear soon from the DVCR, under who's portfolio this sits. I am interested to know the stance of the Faculty Societies to this change in policy.

“For Pay” Internships

UEC has brought it to my attention that there are now companies where students *pay* to be considered for an unpaid internship. In my view, this is a bad thing because it means that many of these internships become accessible only to students who can afford to pay the application fee. This was discussed at education council and unanimously opposed by all faculty societies.

Academic Transcripts

Student Admin has recently increased the price of academic transcripts from \$10 to \$20, which is disadvantageous for students, particularly those experiencing financial hardship. This has come from a business decision by student admin to increase this price to support its budget, bringing it into line with other universities. Although the university is working on a project to move some of these records online, Megan and I have been pushing for this to be reduced in the immediate and will be following this up in the coming weeks.

International Student Study Loads

Visa regulations require international students to maintain a full-time study load. In many Student Experience Offices at UWA had interpreted this as a requirement to study four units each semester. I have liaised with the student experience team to ensure that all international students are permitted to enrol in three units a semester if they wish.

ACHIEVEMENTS TO DATE

- Fruitful consultation with Faculty Societies on the University’s 2030 vision
- PVCE Attended Education Council to get acquainted with the Faculty Societies
- Changed Student Experience Officer processes to allow international students to study three units each semester
- Class rep training reported to well equip representatives for their roles
- Secured upgrade to WiFi in the Music School, Reid Library, ECM, Soil Science, and Zoology
- Got rid of 8:30am and 4:30pm exams
- Ran the first ever Class Representative pilot system by the Guild in 20 units
- Created materials to train student representatives
- Ran the first Education Council Secondhand Book Fair
- NUS presence at O-Day
- Unit outlines provided on LMS
- Collaborated with other university Guilds to form a plan against the MYEFO cuts to higher education
- Created a resource for Faculty Societies to help them engage with their constituency and build stronger relationships with the Faculty
- Ensured that Faculty Societies were promoted through the new Orientation plan
- Improved accessibility of teaching and assessment in language units
- Met with Vivien Jones, a world-recognised academic in improving the student experience for her input to help improve the Partnership
- Expanded UWA Summer School with units across many disciplines
- Renewed the TL;DR guide to explain the new assessment policy to students
- Refreshed the Know Your Rights Guide to simply explain UWA Policy to students

GUILD COUNCIL REPORT 23/05/2018

INTRODUCTION

The past month has slowed activities somewhat with the end of semester one nearing and some coursework students working more on assignments and exam preparation. That being said our regular events such as Postgrad Café and Connect have been progressing well – in the coming month June Connect is due to be moved to the Ref as to not interfere with Ramadan celebrations being held in Hackett Café for the month. Work has begun on more ongoing projects such as the preparation of Postscript with the intent to publish a much larger bolstered magazine this year.

PROJECT UPDATES

POSTSCRIPT

Work has begun on the PSA's annual magazine Postscript which is due to be laid out in September for an October print.

POSTGRADUATE DATA ANALYTICS

Brought up during meeting with Trish Rechichi, am expecting the notes from the working group in the coming weeks.

EXPANSION OF PSA EVENTS

Recent events of the PSA include two Postgrad Cafes which have both been partnered with student clubs (VSUWA and KCC respectively). Some of our ticketed events have both done extremely well. PSA Stargazing sold out in a matter of days and feedback from it was very positive – we would likely increase the ticket price but include a bus from the Crawley campus as well if we were to run the event again. PSA Quiz night did not have a solid ticket cap but over 100 people attended and sales across the bar were about \$1400 which the Tavern manager was pleased with.

GUILD COUNCIL REPORT 23/05/2018

VISION 2030

The University is currently in the consultation phase of Vision 2030 of which there are 5 workstreams. I'm currently sitting on the Research workstream which is chaired by Robyn Owens and am seeking to consult both within the PSA but also other students involved with research such as the BPhil Union and UEC.

FINANCES

For the period of Apr18 to present the recorded expenditure is \$6,849.89. This is well below budget for this period but the PSA is due to process the first round of Travel & Conference and Fieldwork & Data Collection awards in the coming month (about \$14,000 of expected expenditure).

DISCUSSION TOPICS

- No discussion topics at this time.

KEY ACHIEVEMENTS TO DATE

- Successfully held the Annual Council Meeting of the Council of Australian Postgraduate Associations.
- Reorganising our newsletter *The Post* to include new content and developed a 2018 media strategy.
- Working with FABLE to develop Teaching Internship Program for HDR students.
- Archived the PSA Documents into the Guild archives.
- Updated the PSA logo to be more in line with Guild branding.
- Redrafted PSA Rules and consolidated format with PSA Election Rules
- Opened preorder for PSA shirts.
- Restarted PSA Instagram and clear media plan outlined for at least the beginning of 2018 in line with overall 2018 strategy.
- Ran a large ODay for the PSA and moved a significant portion of the older merchandise
- March Connect had well over 200 people through the door and lines formed with capacity limited
- Set dates for the PSA Awards
- Sold out Wine and Cheese Night
- Sold out Stargazing
- Conducted Dietary Requirements Survey
- Partnered with UWA cultural clubs for Postgrad Café
- Secured position on University Club Advisory Board to be held in perpetuity for the PSA President
- Updated the PSA website
- Started "Friends of the PSA" and subsequently expanded the scope of the group to include Postscript writers etc.
- Delivered PSA T-shirts
- Added swipe card access to the PSA Common Room
- Over 100 people attended PSA Quiz Night

PROJECT UPDATES

International student council

The first two international student council were running very well. (shoutout to our VP Su) and we get many information from various international students. They gave us many ideas about their study, life experience and issues. In the second meeting they gave us many recommendations about how they want to see during Orientation Week and the following semester. ISS whole team start to work hard to achieve the goals and make the initiatives happen next semester. And we are trying to let guild help run smaller training session for international representatives focused apart from SLT.

International student services officer

GUILD COUNCIL REPORT 23/5/2018

Sexual health relevant campaign (Name haven't been decided)

We found that International students sometime don't really know about how Australian Law can protect them from sexual harassment. ISS is trying to do a potential webinar for international students and let them know how they can find help. Because different countries have different sexual ideology and legal definition, they may not aware of being sexual harassment is not ok. So We are trying to give out the video which is sexual health department sent to us and do some initiatives to educate international students.

Oweek

ISS start to plan the events for next semester and Oweek. So far there are some plan was in our calendar: speed friending and social networking for fresher during the oweek; Paintball in 2nd week of Uni, and Food competition, carnival event, and international night etc.

ISS Lighthouse

ISS is still collect the lighthouse content for semester 2. And we are trying expand the lighthouse magazine content. If anyone have any good suggestions, feel free to let me know~!

Orientation Week initiatives

ISS is having some initiatives for international student during the Oday. And we will bring committee shirt for the committee and make us brand out.

International student Outreach program

ISS will have international student Outreach program next semester. This is a smaller range program but its constant and in different location. We will arrange small catch up stalls and meet up with international students in different faculty and locations.

FINANCES

No spending except for some printing, and snack for common room

DISCUSSION TOPICS

- ISS following plan
- ISC running and linked to various resource
- ISS sexual health initiatives concern

Access Officer

GUILD COUNCIL REPORT 05/2018

Introduction

This month has mainly seen me as access officer getting a feel for the role, undergoing handover and making new appointments to committee. While maintaining access initiatives and seeking to foster increases student engagement with the department. I have also been in contact with a number of student groups about events and initiatives for semester two and how the department can support them in engaging with and supporting students with a lived experience of disability, chronic illness or mental illness.

Meetings attended

DATE	MEETING	PURPOSE
01/05/2018	Committee appointment interview	Meeting with student interested in joining committee however did not result in appointment
02/05/2018	Committee appointment interview	Meeting with student interested in joining committee and resulted in appointment to executive position.
07/05/2018	Guild President, Megan Lee	Handover
22/05/2018	Guild Education Council May Meeting	Representing the department

Project updates

Coffee Chats

Low barrier catch-ups held every 2-3 weeks for students with lived experiences to catch up in an informal setting to build community and support networks. Catch-ups have been going well with 5 or so attendees each time including 2 or 3 regular attendees. We think this is a worthwhile initiative we will continue into the future given its low financial cost and high return in terms of building relationships.

Women's Access Collective

Collaborative effort between Womens and Access Departments seeking to engage specifically with women and NB students with a range of accessibility experiences. Seems to have been well received but hope to see more community growth and engagement in coming months.

Ed Access Guides

Guide produced collaboratively with Education Department aimed at making clear the information, resources, and rights available to students regarding access and their learning experience. Ed Council VP and myself have plans to meet in the coming weeks to get project back up and running.

Finances

Incoming/outgoing?	From	Details	Amount
Incoming	Grill'd Burgers	Sponsorship	\$100

Discussion topics

- Collaboration with other guild departments, clubs and student groups to further student engagement with the department and improve student experience for students with a lived experience of disability, chronic illness or mental illness.
- Still looking to gather interest for volunteers to get involved with the department. Given we run as an autonomous group we often aren't often as "able" as healthier students so extra help is always appreciated and means we can do more to help and advocate for students

Key achievements to date

- Accessible Club Carnival
- Signed over 90 people to our mailing list
- Ran Access Week with events including:
 - Art Exhibition
 - Volunteering fair
- Development of Coffee Chats
- Formation of Women's Access Collective

3. UPDATES

PROJECTS

- Women's Room – has been renovated and looks spectacular!
- Consent Matters alternative proposal – will be starting to look at making a more formal project pitch to the university over the winter break.

EVENTS

- SCREW Week – was a huge success! Thanks to everyone who came down.
- Women's Week – Week 3 next semester, for which we are beginning to plan. If anyone has event ideas, please pass them on they would be much appreciated.
- Women in Business Quiz Night – is next Tuesday, with which we are collaborating. Please come down if you can!

COLLECTIVES

- LGBTQI+ Women's Collective and Women of Colour Collective continuing fortnightly meetings and casual social events.

DAMSEL

- Online articles continuing to be published
- Have begun brainstorming for the second semester print edition and will be opening applications for editors soon.

WOMEN'S COUNCIL

- No updates.

6. KEY ACHIEVEMENTS TO DATE

- **OPPOSITION TO CHARLES WATERSTREET ON Q&A #METOO SPECIAL**
<http://about.abc.net.au/statements/ga-metoo-panel-change/>
Last Guild Council meeting, a motion was passed endorsing the letter by the NUS Women's Dept regarding the controversial decision to invite Charles Waterstreet as a panellist on the #MeToo special for Q&A. Due to the backlash, Waterstreet ultimately did not sit on the panel – a big win for survivors and so important considering what the movement aims to achieve. I would like to thank Council for their support.
- **INTERNATIONAL WOMEN'S DAY**
The Women's Department ran a stall with our merchandise and a Gender Pay Gap Bake Sale. Additionally, I wrote an article for Pelican Magazine discussing common misconceptions about the Women's Department and the feminist movement.
- **CONSENT MATTERS ALTERNATIVE PROPOSAL**
Myself, the Guild President, RSD President and Welfare Officer have opposed the implementation of the 'Consent Matters' module and sent through an alternative proposal to the university. Over the next few months, we hope to present a pitch for a viable alternative module to be implemented once the Consent Matters licence has expired.
- **SCREW WEEK**
Ran a successful week of events and activities to encourage healthy conversations and practices around sexuality.

Love you all (mostly) xoxo
