This float request form is for **Guild Affiliated Clubs ONLY**.

Forms need to be submitted **at least two working days prior** to when it is required.

If your total float does not match the total value calculated by this form, you will be provided with the value equal to the denominations on this form.

Upon collecting the float, the club representative must provide their Guild Finance withdrawal book with a **withdrawal slip still attached to the book**, filled with the correct details of the withdrawal and **signed by two authorized members** of the club, designated in the club's Executive Registration Form. The **payee** on the withdrawal slip must also not be either one of the signatories.
